## About Us

Weald of Kent is a selective Girls' Grammar School for 11-18 year olds with a roll of approximately 1900 students including our co-educational Sixth Form. The school is one of the highest performing schools in the country. We aspire to excel at everything we do. Owing to our continued success we are thrilled to have been given permission by the Secretary of State to expand and mirror what we deliver at our Tonbridge campus in a campus at Sevenoaks, which opened in September 2017. In addition to the exciting new facilities, we have also invested in our Tonbridge campus which now has a state of the art Sports Hall and university style Sixth Form Study Centre and a new science block has been built this year. Both campuses are situated in beautiful rural settings with far reaching views across the Garden of England with excellent transport links.

## Results

We are, once again, exceptionally proud of the magnificent performance that has led to some wonderful results both at GCSE and A Level. Our examinations data from 2019 records the average GCSE grade was above a Grade 7 and our Progress 8 was well above average at 0.95. We also enjoyed superb A Level results with 67% of our students achieving A\*-B grades in 2019. The average was a Grade B and our Level 3 value added was above average at 0.12. Our aim is for students to achieve high academic results whilst still affording them a platform to extend their personal qualities, talents and interests. Result statistics were not published for the 2020 or 2021 cohorts.

## Staff Development Opportunities

We are passionate about staff development. Individual Development Plans are tailored to help and support staff in new positions, existing posts and preparation for promotion. A whole range of developmental and capacity building training is available, supporting staff to develop their skills and professionalism. This includes opportunities such as:

- A personalised induction programme
- CPD days and a range of workshops
- Performance development programme
- Mentoring-Coaching programme
- Relevant external courses and training

## The Team

Staff work closely with the Head of Mathematics, ensuring that the department continues to develop and deliver the very best for our students. The department is constantly seeking ways to improve and to make sure that our students have the best opportunities for success to allow them to take the next step with confidence.

We have our own schemes of work for KS3 that have been developed in line with the National Curriculum and Numeracy strategies. All KS4 students follow the EDEXCEL Higher Tier Mathematics specification. As building confidence and encouraging outstanding achievement is at the heart of our department, there is no early entry and all students sit their GCSE examinations at the end of Year 11. At KS5 the students follow the EDEXCEL A level syllabus. The department also offers Further Mathematics at A-Level where there is an excellent uptake in both subjects. A number of students go on to a variety of Higher Education courses involving further study of Engineering and other Mathematics related subjects.

## The Post

<b>Job Title:</b>	Teacher of Mathematics	<b>Reports to:</b>	Head of Mathematics
<b>Team:</b>	Mathematics	<b>Start date:</b>	September 2022
<b>Hours:</b>	Full Time/Part Time	<b>Grade:</b>	MPS/UPS

This position is an excellent opportunity for an outstanding and inspirational teacher to work closely with the Head of Maths. The post will involve teaching from Key Stage 3 to Key Stage 5 Mathematics depending upon skills and experience.

This post would ideally suit a colleague who wishes to work with highly motivated, extremely engaged, enthusiastic and able learners. If you are keen to develop further as a practitioner and wish to extend your repertoire of teaching and learning strategies, then this would be a perfect fit for you. In addition to the opportunities to develop your practice within the classroom, the school offers an extensive range of professional development support including a bespoke package for those interested in working towards their next career.
