BELIEF IN EVERY CHILD

## WELCOME TO BLACKDOWN EDUCATION PARTNERSHIP

Thank you for your interest in this post. Please take some time to have a look at this pack and gain a sense of who we are and what we stand for. All Multi-Academy Trusts are different and we are keen to explain why we believe that our values and ethos make us a great employer.

The Blackdown Education Partnership was created by the merger of two founding trusts which shared some important similar values. Put simply, we believe that collaboration, partnership working and sharing our best ideas will enable us to deliver on our mission.

- To nurture and develop the ambition, talents and interests of every child
- To break down the barriers that inhibit the opportunities and achievements of disadvantaged pupils so that they can go on to lead lives of choice and opportunity
- To create a family of schools that are deeply and purposefully connected to their communities.

All our schools share this purpose and we work closely together to understand and deliver it.

We do not believe in creating schools which are replicas of each other. Our philosophy of aligned autonomy enables Headteachers to make effective decisions within the context of each individual school. We do not have a common curriculum but we do have a view on excellence and seek to harness the expertise of our subject leads to ensure that each school delivers schemes of learning that are rigorous, inspiring and rich in knowledge. Curriculum and other leaders across our schools meet regularly to network, share and moderate and the Trust operates a well-developed programme of peer-review to ensure that leaders are challenged, supported and have access to excellent professional development.

Our schools are all characterised by a strong ethos, ambitious culture and compassionate environment which together drive success. We are lucky enough to employ brilliant people who share our vision, many of whom have started careers with us and stayed to progress these careers. We want people to join us who believe that, whatever their role, they can make a difference to the life chances of students. We are totally committed therefore to helping all our staff thrive and fulfil their professional ambitions. A large number of colleagues are currently undertaking leadership development and we run regular networks and collaborative groups to allow colleagues to share best practice across the Trust.. We also offer some more bespoke leadership programmes run through our outstanding network of partners.

We take staff wellbeing seriously and take active steps to reduce workload. We have a wellbeing offer which ranges from gym membership and support with personal fitness to talking therapies and subscribe to Carefirst. We also allow employees personal days to enable everyone to enjoy some flexibility over attendance and participation in events that they might not otherwise be able to.

We are always willing to consider flexible working requests and job-shares and pride ourselves on a family friendly approach across our schools. The best resource we can provide for pupils is highly skilled, happy and fulfilled staff.

We are looking for an individual who shares the same vision and values – if you believe that you have the skills, drive and vision to help us achieve our aims we would be delighted to receive your application.

**LORRAINE HEATH, OBE**  
**CHIEF EXECUTIVE OFFICER**

## WELCOME TO HOLYROOD ACADEMY

Dear Applicant,

Thank you for your interest in this post.

Holyrood exists to serve its community as such; we are looking for a permanent, full time Maths Teacher, who shares our commitment to ensuring that the young people we serve receive the best possible standard of education. You will join a positive and hard-working team of staff who are absolutely focussed upon bringing our vision for the Academy to fruition.

We are a school that values the building of positive and compassionate relationships with students and we place high aspiration, quality classroom delivery and 'feeding the Holyrood culture' at the heart of what we do.
