Dear Candidate

Re: Teacher of Maths

Thank you for your interest in the above post. We are seeking to appoint an enthusiastic teacher of Maths. We would consider part-time or full-time working.

Provided in the recruitment pack is an application form, some details about the department and a job description for this post. There is a range of further information about the school on our website - www.imberhorne.co.uk

Imberhorne is a truly comprehensive school, providing an extensive academic curriculum from Years 7 to 13, alongside an enviable range of extra-curricular activities designed to appeal to the widest interests. Students in Years 7 to 9 are educated on the site of the former East Grinstead Grammar School on Windmill Lane, which provides a nurturing environment for their first three years with us. Years 10 and 11 and our large Sixth Form are based at our Upper School site on Imberhorne Lane, which has all the specialist facilities and teaching spaces needed for the wide range of examination courses we offer. The majority of staff teach across both sites. We currently have 1630 students on roll, including 270 in our Sixth Form.

We are keen for our students to develop into well-rounded young people, with the academic knowledge and personal skills they need to take their place in society. Our curriculum is extremely wide-ranging, designed to inspire and motivate in equal measure. In 2022 we offered students a choice of 24 option subjects at Key Stage 4 (including four modern languages), as well as 25 A Level subjects and 12 Applied courses in our Sixth Form.

The school has a strong academic record in Key Stage 3, Key Stage 4 and the Sixth Form. We are rightly proud of our achievements to date and aspire to build on these successes. We therefore seek to appoint a teacher with a passion for teaching, a commitment to young people and the personal drive to continually develop their own practice, skills and knowledge. Students at the school are well behaved, extremely cooperative and very friendly. Both parents and students are overwhelmingly positive about the school. We work hard to develop these relationships and value the way parents engage with us.

We are a founding member of the Mid Sussex Federation of Schools, a strong, collaborative group of four local secondary schools. Membership of the Federation brings many more opportunities for personal and professional development than would normally be available in a stand-alone school. You can read more about this on our website. Professional learning is at the heart of our offer for staff, and we will support you to develop your own knowledge and skills within our extensive and varied training programme. We provide a full induction programme for all staff new to the school.

All recruitment is undertaken in accordance with Safer Recruitment requirements. As part of our due diligence, we can only accept a curriculum vitae (CV) alongside a full application form. In accordance with the latest guidance, we may also conduct on-line searches as part of our recruitment process. The stated aim of this approach is that it may help to identify any incidents or issues that have happened, and are publicly available on-line, and we may want to explore with individual applicants at the interview.

Please note that this post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding-over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

MATHEMATICS DEPARTMENT

Introduction

The Mathematics Department comprises a strong and committed team of subject experts who work and plan collaboratively. It has supported students consistently over the years to achieve well above national average in GCSE and A level maths results and is one of the strongest departments in the school.

Staff and Accommodation

The department consists of 12 mathematics teachers, all specialists, with a blend of experienced teachers and those nearer the start of their careers. Teachers have high expectations and work well together to create an atmosphere in which all students can fulfil their potential.

The department is currently organised with a Leader of Learning for Maths, 2nd in Department and 2 key stage leaders. Members of the department also hold roles for KS2/3 transition and running challenge and enrichment weeks.

Members of staff teach across the age and ability range. We have specialist rooms, all with interactive whiteboards and 2 offices with resources and workspace. There is ample access to ICT suites and laptops with most classes having access to this for one lesson every one to two weeks.

Curriculum

We keep up to date with the latest research and theory, implementing it where appropriate. Key Stage 3 has been updated to reflect the removal of KS3 levels, the influence of Shanghai style maths teaching and mastery. At Key Stage 4 students learn in broad ability sets with the majority following the higher tier scheme of work. Our exam board for the GCSE specification is AQA. We also extend the highest attaining by offering the L2 Further Maths qualification.

At Key Stage 5 students follow a two-year A level, with both maths and further maths offered as well as core maths. Mathematics is one of the most popular subjects at A level and is a very successful choice in the Sixth Form.

Extra-curricular

Teachers often offer extra support to exam classes in the final term of the school year. This is completely voluntary. Liaison with primary schools is very strong and we have student leaders who return to their former primary school to tutor the current Year 6 students. This has been well received by the primary schools and really helps with those students attending in Year 7.

We also have history of strong student leadership in the school with Sixth Formers helping Year 11 students and Year 9 students mentoring Year 7 students.

The department regularly enters students in the UK Mathematics Challenges at all levels and takes part in the West Sussex Mathematics competitions.

CPD opportunities are extensive for members of the department, with teachers attending various courses throughout the year to enhance their professional development. Collaboration within the team after a course is encouraged and department meetings are focussed on improving teaching and learning.

The maths department at Imberhorne is a great place to work. It is a very stable department with a very friendly group of professionals. We hope we can meet you soon.

Information about Imberhorne School

Imberhorne is a successful, happy school where staff are committed to fully developing the potential of all students. I am proud of the outstanding achievements of students across the school and am equally proud of what hard-working, respectful and compassionate individuals they are as well. Our excellent academic record along with the great emphasis we place on personal development creates a thriving and vibrant school community. We are continually looking to the future as we endeavour to prepare our students for life in the 21st century. We are committed to pursuing academic excellence whilst also very aware of the importance of interpersonal skills that are so highly valued in the workplace. We want to give our students an appetite for life and a love of learning, seeking to provide the conditions that will foster the confidence and enjoyment we think are a necessary part of their educational journey.

Academic Achievement

In 2022 results in the Sixth Form continued to build on a strong upward trajectory established in previous years. Results were as follows:

- **45% of A level grades at A/A***
- **62% of A level grades at A*-B**
- **87% of A level grades at A*-C**

We are very proud of our students and believe that these results reflect very well on the culture and ethos in the Sixth Form.

Progress in the Sixth Form is strong. We use ALPs as our measure of progress and have seen year on year increases. We currently have a three-year average ALPs score of '3', meaning that progress is equal to that in the top 25% of all schools and colleges.

We have a large Sixth Form which is predominantly focussed on A level programmes of study, our academic curriculum is supported by a range of applied and vocational qualifications. We run 35 different courses in the Sixth Form along with two 'level 2' courses for those that have not met our A level (or equivalent) entry requirement.

In **Key Stage 4** strong academic performance in the core subjects of Mathematics, English and Science is complemented by high levels of attainment in all other areas of the curriculum. We are proud of our academic traditions but also keenly aware that we must meet the needs of all our learners.

Performance in summer 2022 was as follows:

- **78% of all grades were grade 4 or higher (4+)**
- **59% of all grades were 5+**
- **25% of grades were 7+**
- **14% of all grades were grade 8 or 9 (or vocational equivalent), reflecting the strong academic profile of the Year group**

We offer a broad curriculum for our students which we believe provides appropriate levels of challenge and support. Subjects overwhelmingly follow GCSE programmes of study, we encourage the majority of students to study a modern foreign language and also have significant numbers choosing to study individual sciences. We are proud of our successes but aspire to do even better for our students setting ourselves challenging targets to achieve.

Professional Development

We believe that a commitment to professional development is central to our identity as teachers. Our expectation is that all staff continually strive to improve their practice and do this through a sustained focus on aspects of pedagogy. This is best supported through collaboration with others. Engaging in paired planning and peer observation encourages productive critical reflection.

Most of our professional development takes place after school on Mondays. We provide cross-curricular forums, opportunities for departmental planning and development as well as more bespoke programmes to meet individual needs. Cross curricular groups are facilitated by fellow teachers.

Culture and Ethos

We believe the school is a caring community and seek to place the strong relationships that exist between students and staff at the heart of the school. The school has a well-developed pastoral system and we pride ourselves on the level of personal care we provide for all our students. Heads of Year and Pastoral Support Assistants exist in all Key Stages (from Year 7 to Year 13). They are often the first point of contact for parents when making enquiries about social or academic issues. The pastoral teams are supported by form staff who provide a daily point of contact for students. A key factor in the character of the school comes from the split site we inhabit. Students start Year 7 at our Windmill Lane site which also houses students in Year 8 and Year 9. This site has a particularly friendly and intimate feel to it and serves our younger students well, combining the challenge of a secondary curriculum with a strong sense of nurturing and support. At the end of Year 9 students then transfer to our Imberhorne Lane site marking the transition into Key Stage 4 and the study of examined courses. Whilst we retain the caring and supportive philosophy established at Windmill Lane, students also develop a more academic focus accompanied by a greater level of challenge and heightened expectations.

The arts have a very high profile in the school, numerous events and activities occur throughout the year providing students with wonderful opportunities to sing, dance, perform, act and exhibit. Sports have an equally high profile; we are proud of our very many achievements reflected in the numerous tournaments and competitions our students participate in at local and national level. The Duke of Edinburgh Award is thriving in the school with significant numbers of students participating in the

scheme, starting in Key Stage 4 and leading on into the Sixth Form. All of these opportunities enrich the school community but critically help the students learn how to express themselves, work with and support others, show responsibility and become increasingly self-assured members of our community.

Collaboration and Partnerships

We believe in the value of partnerships and collaborative practice. Being outward looking and engaging in shared activities with other teachers and other schools is important to us.

We have established close working relationships with the East Grinstead primary schools, particularly those that tend to feed into Imberhorne. We have established joint literacy and numeracy projects run prior to transition facilitated by staff and students at Imberhorne.

We encourage staff to join local subject networks. We are part of a teaching school alliance and participate in many of their network meetings. In addition to this we work closely with three other local maintained secondary schools, in a soft Federation, sharing opportunities for CPD and working as critical friends for each other.

CLARIFICATION NOTES ON THE EXERCISE OF PROFESSIONAL DUTIES FOR ALL TEACHERS, OTHER THAN HEADTEACHERS

These notes should be read with the Teachers Pay and Conditions Document. All teachers should act under the reasonable direction of the headteacher, and carry out the particular duties assigned to them.

All teachers are responsible for planning, preparation, assessment, recording and reporting on progress and attainment. They will receive 10% release time against their timetabled teaching commitment, for planning preparation and assessment, and this time may not be taken by the school to use for any other purpose.

They must co-operate with the headteacher and other teachers in the school on all aspects of education.

All teachers must participate in arrangements for appraisal of their own and others' performance, and have a responsibility to participate in arrangements for further training and professional development.

Supervising students at the beginning and end of the day as well as at break time comes within directed time. A rota will make 'reasonable' use of all teachers to provide appropriate supervision of students at these times.

All teachers must participate in arrangements for preparing pupils for examinations, including assessment, recording and reporting for these. This does not include the invigilation of examinations, unless there is a need for their professional skills and judgement.

All teachers should contribute to the selection for appointment and professional judgement of other staff, including induction and assessment; co-ordinating or managing the work of other staff assigned to them, including assisting in appraisal; and taking part in review, development and management of activities relating to the curriculum, organisation and pastoral functions of the school.

All teachers employed on a full time basis, other than those on leadership spine, shall be available for 195 days a year, 190 of which will be required to teach pupils, and will be directed by the headteacher for 1265 hours in a school year. In addition, teachers are expected to work reasonable additional hours to enable them to discharge their professional duties effectively.
