

**PAIGNTON ACADEMY
BAY EDUCATION TRUST
11-16 Academy NOR 1467**

**TEACHER OF MATHS - FULL TIME
PERMANENT FROM SEPTEMBER 2023**

[MAIN SCALE/UPS]

We are seeking to appoint an outstanding teacher to join the Maths faculty to deliver high quality lessons across the Key Stages. If you are an excellent classroom practitioner, who is flexible, dedicated and passionate about delivering exceptional learning experiences, then we want to hear from you.

This is an exciting time to be joining our Academy as we seek additional teachers to meet rapidly increasing student numbers. Paignton Academy is undergoing rapid improvement. Within the Academy two capital projects costing in excess of £4 million pounds have just been completed. The Academy has also recently undergone a superb transformation in September 2019 to facilitate students in years 7 to 11 across two sites.

The Maths Faculty is a friendly and innovative team, and the successful candidates will have the capacity to be both an outstanding maths teacher and an enthusiastic and dynamic team member. Our faculty enjoys excellent facilities and provides its staff with a supportive, forward thinking environment with plenty of opportunities for professional development. These range from our extensive ECT programme through to leadership progression opportunities within Paignton Academy and across the Trust.

The successful candidate will be confident teaching maths from Key Stage 3 to GCSE and have a high level of subject expertise. They will work alongside other maths staff to plan, develop and deliver an engaging curriculum that achieves the best possible outcomes for all students.

The Academy is situated in Torbay and is part of the beautiful English Riviera. It is within easy reach of stunning beaches with golden sands, rolling countryside and Dartmoor. It is also only a short drive away, via the new South Devon link road, from the historic city of Exeter and its surrounding areas.

We welcome applications from high quality practitioners to join Paignton Academy. The successful candidate should have Qualified Teacher status and have an up-to-date knowledge of developments in Mathematics. The post would equally suit an Early Careers Teacher or experienced teacher.

Prospective candidates are very welcome to visit or make contact for an informal chat.

Applications should be sent to the Personnel Department of Bay Education Trust (relevant email address on the website) Candidates will be considered on receipt of application.

To access the candidate information, job description, person specification, and application form, please visit www.bayeducationtrust.org

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post is subject to an enhanced DBS check. As per KCSIE we will also undertake online searches for all shortlisted candidates, if you have any questions regarding this process please email personnel@bayeducationtrust.org

Early applications are encouraged, and we reserve the right to close the vacancy if a suitable candidate is found.
