Teacher of Maths

Qualified Teacher Pay Scale

Required to start 1st September 2023 or sooner

**Do you want to work at a school making strides forward looking to appoint leaders who can inspire, motivate and lead improvement?
We are a growing school and have high expectations for all!**

Governors wish to appoint a teacher into our strong and expanding maths team where results are strong and rising. The ability to teach to A level would be advantageous.

‘Support for newly and recently qualified teachers is good. These teachers said that they valued highly the support they received and the developmental activities in which they are involved. Recently qualified teachers who were initially trained in the school have returned to a post here because, they said, they believe strongly in the school’s ethos and that they feel able to ‘make a real difference’ to pupils’ Ofsted March ‘18

We are looking for a teacher with:

- a real desire to make a difference to pupil outcomes and bring maths to life
- the desire to learn and be a high functioning practitioner
- the drive to work in a high functioning team

This is a very exciting opportunity where you can continue to **make a difference** within a well-established team. Continuing to raise the attainment and progress in maths, an increasingly popular area of the school, is a **part of our whole school** improvement.

The school is committed to safeguarding & promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Application packs can be downloaded from the following websites:

www.bemrose.derby.sch.uk or www.tes.com/jobs

Closing date: Monday 5th June at 10am

Interviews will be concluded by Friday 16th June 2023

Please apply by letter of no more than 2 sides of A4 explaining how your experience to date has prepared you for this role and how you will develop learning and progress in maths, together with a completed Bemrose application form.
