

GREENSHAW
LEARNING TRUST

GLOUCESTER
ACADEMY

Teacher of Maths Recruitment Pack

**ALWAYS
LEARNING**

Introduction

Thank you for your interest in our school in the role of Teacher of Maths.

This is a unique and exciting opportunity for an inspirational and aspirational leader to join Gloucester Academy and further contribute to the life chances of our young people in the school, and across the Trust. The Academy will be on a rapid trajectory of improvement, that will be sustained over many years, it is a chance to be part of something very special. It will support career development and equip you for a further promotion within the Academy and within our trust. We are based in central Gloucester which in itself is in a beautiful area of the country and provides access to the Cotswolds, close proximity to Bristol and Cheltenham. The area we serve is diverse, and therefore our catchment and students offer a range of expectations and challenges, being able to drive ambitions is key.

Gloucester Academy joined the Greenshaw Learning Trust on 1st June 2020.

The Greenshaw Learning Trust is a 'family' of like-minded schools, that collaborate to provide mutual support, share their good practice and learn from each other, whilst retaining and developing their own distinctive character. The Greenshaw Learning Trust website www.greenshawlearningtrust.co.uk provides a clear picture of our aspirations and our vision for schools within the Trust; however, please do not hesitate to contact us to seek further information.

The Gloucester Academy website www.gloucesteracademy.com will also provide further information on the school.

Vision

The vision for Gloucester Academy is simple 'Every child to climb the mountain to the best University or Profession'. This will be supported through disruption free learning and a clear expectation of working hard and being kind.

Work life balance is central to this vision for our students. We offer a highly visible and supportive SLT, centralised planning and resources, centralised detentions, disruption free learning, whole class feedback through a clear feedback policy, lessons structure based on the Rosenshine principles, visualisers in every classroom, subject experts working together within a collaborative trust, highly bespoke CPD in a short weekly session i.e. Teach Like a Champion foci each session.

We are ambitious about diversity and inclusion and very much look forward to receiving applications from candidates whose personal qualities and values reflect those in the person specification and whose experiences also place them in a strong position to deliver the challenges set out in the job description. We encourage applications from candidates regardless of age, disability, gender identity, sexual orientation, pregnancy, marital status, religion, belief, or race.

Gloucester Academy is committed to safeguarding and promoting the welfare of children and young people therefore this appointment will be subject to vetting, including an enhanced DBS disclosure.

We very much look forward to receiving applications from candidates whose personal qualities, values and experiences support and reflect our own. Please make contact for an informal discussion.

Yours faithfully

Phillippa Lewis
Headteacher

Greenshaw Learning Trust – About us

The Greenshaw Learning Trust (GLT) provides an effective structure for schools to achieve real benefits from school to-school collaboration, and a culture of trust and openness that promotes honest and transparent dialogue and mutual support.

At the heart of the Trust is proven school improvement advice and guidance – with regular meetings with school leaders, input from specialist primary and secondary experts and staff training and development in all our schools.

All schools in the Trust receive expert advice and fast-response support on budget planning and monitoring, payroll, human resources, employment and legal advice, purchasing, capital projects, admissions, policy development and audit. Our catering team provides advice and guidance on meeting the statutory responsibilities for food standards, healthy eating and safety, and helps our schools achieve higher take-up of meals and significant cost savings through quality improvement and the central procurement of food supplies.

Each school's local governing body receives support and advice to ensure that they can contribute effectively to the governance and leadership of their school, including tailored guidance to chairs and clerks and governor training.

The Greenshaw Learning Trust is committed to meeting the needs of every student – our schools offer a wide range of special needs provision and across the Trust we have extensive expertise in behaviour, attendance, family liaison and therapies to support our students and their teachers.

The Greenshaw Learning Trust Mission Statement

- *We are ambitious for our schools and their students. We believe that there is no ceiling on what can be achieved by anyone, regardless of their circumstances or background.*
- *We are committed to providing a supportive and inclusive learning environment, giving every young person the opportunity to fulfil their potential now, and in the future.*
- *We seek to realise the power of individuals and organisations working together in collaboration whilst retaining their individuality, and we recognise that we can always improve.*

Greenshaw Learning Trust Employee Benefits

The Greenshaw Learning Trust recognises that our employees are our most important asset and we are aware that the quality and commitment of our employees is critical to our success. We offer all our employees the following staff benefits:

- Excellent CPD opportunities and career progression.
- Employer Contributions to Teachers Pension Scheme.
- Cycle to work scheme.
- Gym membership scheme.
- Employee Assistance Programme.
- Eye Care Voucher scheme.

Department and Subject Information- Maths Department

Context and Background:

Gloucester Academy has been under new leadership since February 2020. We are now part of the Greenshaw Learning Trust who are renowned for their robust focus on building strong teaching and learning and a staunch behaviour management system, so every student receives disruption free learning - in every lesson. The new leadership team, supported by the staff, work together to drive our aim to help every student climb their own personal mountain.

The Department:

The mathematics department is made up of five passionate teachers, including one Edexcel examiner (with more in the process of becoming examiners) plus an equally passionate maths HLTA. Improving ourselves as teachers is paramount to the team through weekly PD sessions, subject knowledge enhancements, online courses, and exam conferences. We are always looking to be at the forefront of the latest mathematical pedagogy; this year we ran subject specific PD based on Craig Barton's "Reflect, Expect, Check, Explain" book. Furthermore, as part of the Greenshaw Learning Trust we are active participants in the GLT Maths Book Club with guest speakers so far including Doug Lemov, Peter Mattock, Mark Mcourt, David Didau and John Mason.

Resources:

In each classroom there is a visualiser which the maths team use during the input part of every lesson. Each student has their own mini whiteboard enabling teachers to assess their class with ease. There are also textbooks for KS3 and KS4 which are used to support student's learning.

We use Sparx with our Y7s and Hegarty with our Y8-11s. Students have weekly homework tasks set on these platforms, the tasks are centred around retrieval practice. There are lunchtime drop-in sessions available to support and we also have Sparx Ambassadors who give up their own lunchtime to support other students.

The team work on and embed the latest mathematical pedagogy into our continually developing shared lesson bank. Each lesson has been designed with a retrieval segment to start the lesson, the main body of the lesson focuses on *I Do, We Do, You Do*, with students completing at least 20 minutes of silent independent work (use of GCSE questions is encouraged for all year groups) the end of the lesson has at least two diagnostic questions which students answer using their mini whiteboards. The use of live marking in lessons, when permitted, is used, resulting in our students being able to correct mistakes before they become embedded.

Curriculum:

Students are examined through Edexcel, and our Schemes of Learning allow for a seamless transition between KS3 and KS4, with topics mapped out from one year to the next. Assessments are completed during the school assessment windows, with time built in to the schemes of learning for students to work on their individual gaps of knowledge. All Year 11s attend a weekly period 6, this time is used for exam practice and to support students with essential exam topics.

This year we're excited to have started Direct Instruction (<https://www.direct-instruction.co.uk/>) with key groups of our students so they have an even better chance of success. Students complete an assessment to find out where they need to start in the programme and attend DI lessons with our DI teacher. DI sessions focus on a key mathematical skill (eg multiplication, division, ratios or fractions) which students can then implement in class, with an end of unit assessment to measure student's progress.
