The Castle School

"An exceptional school at the heart of the community where every student has the curiosity, skills and confidence to make the world a better place"

About The Castle School

The school offers high quality education for all students aged 11 to 18, with a large Sixth Form of approximately 300 students and a total population of over 1500 students. The site is easily accessible and only 15 minutes from the M4 and M5.

With strong leadership from Headteacher Joseph Docherty, Ofsted has consistently rated the school as 'Good' and this judgment was maintained in 2021.

The focus at The Castle School is that all students have the best opportunities, removing all barriers to learning and support them in making outstanding progress. We are proud of how our students behave and the warm, vibrant friendly environment we have created.

Our staff are passionate about teaching and learning. Together we create a very supporting and caring school where our students and staff can thrive. We truly believe that now is an excellent time to join our school community.

What's nearby...

The school is close to Thornbury High Street, which has a number of local shops, cafes, takeaways and restaurants. Perfect if you need a caffeine fix or forgot to pack your lunch!

Thornbury is only 9 miles away from the centre of Bristol. It has a growing population with three large community based sports clubs that play to an exceptionally high standard, with many of our students representing them. The large leisure centre, public tennis courts and golf club provide fantastic recreational activities.
