

Teacher of Maths
March 2024

Welcome letter from the **Principal**

Dear Applicant,

Thank you for enquiring about the position of Teacher of Maths at The Boulevard Academy. As Principal I am extremely fortunate to work with an outstanding and dedicated team of colleagues who have transformed learning for our students and our community.

The Boulevard Academy opened in September 2013 through a need to offer greater opportunities for our children locally to learn and develop in a way that's best for them and our aim is to offer learners and parents a community centred secondary education in Hull.

I wanted to lead this academy, because the vision, ethos and values align with my own. I firmly believe that every child has unique skills and talents and that they should be given every opportunity to develop them. I hold an unwavering expectation that all children can and will succeed. Each and every member of staff within this academy will hold the same expectation.

As Principal for the school I want to ensure:

- That every child achieves, no matter what their starting point;
- That our teaching will ensure achievement through providing the highest standards of teaching and learning;
- That we provide and support everyone in our learning community.

You will be joining us as we have just received approval to expand our school and its buildings. The plans for this expansion include new music and drama facilities; technology rooms for practical and digital studies as well as more general teaching classrooms; a new staff area and a Learning Resource area. Our vision can only be realised by recruiting exceptional colleagues, who can make a purposeful and lasting impact on the community we serve.

CPD and innovative staff development is at the very forefront as we develop and grow. Staff joining us will have opportunities for leadership development at all levels as we expand, and I will encourage all staff to actively contribute their ideas in developing new ways of working.

I look forward to meeting you and reading your application.

Janice Mitchell

Principal
