We are committed to providing our staff with the highest quality support and challenge to ensure that we excel and give our students the opportunities and provision they deserve. Senior leaders are encouraged where possible to sit on the academy council of another CET school which is a very valuable experience.

Each of the Creative Education Trust's schools benefit from a comprehensive programme of support and challenge, including working with former HMIs.

On a Wednesday afternoon, all staff take part in professional development. Each week a priority theme is explored, such as 'Improving Literacy', 'Meeting the needs of students with SEND' and 'Assessment for Learning'. Staff have opportunities to deliver a session for other staff and staff can choose which session to attend to support their own CPD goal.

All teaching staff are invited to join our Exceptional Teaching Group who meet weekly and are committed to developing evidence-informed teaching practice to improve the pedagogy and practice of our staff so that students achieve the best possible outcomes.

Creative Education Trust places a strong emphasis on CPD for teachers and for senior and middle leaders. They run a regular programme of training events to improve teaching performance and also provide focused management development and one-to-one coaching opportunities.

There are also a number of cross-group, phase leader and year-specific forums to facilitate collaboration across the schools.

MATHS LEARNING AREA

The Maths learning area is line managed by the Vice Principal for Quality of Education. The Head of Department is supported by two Key Stage leaders and an Expert Practitioner.

Students enjoy learning Maths at Weavers Academy; outcomes have continued to improve in line with national averages.
