This is an outstanding opportunity to join one of Oxfordshire's most successful schools. Wallingford School is an oversubscribed, 11-18 school with enthusiastic students, supportive staff and excellent facilities. We have an excellent reputation, enjoying strong support from parents and students, and a good and growing working relationship with the local community.

We are among the most successful schools in the country for progress in English and Maths. In 2022, 83% of our students achieved at least a Grade 4 in English and Maths at GCSE, almost 40% of all grades achieved were at Grade 7 or above and 9% of all entries gained a Grade 9. At KS5, our A Level students are consistently in the top 25% nationally for Value Added progress. In our most recent results, 73% of all entries gained A*- B grades and 43% of all entries gained A*- A, including 15% at A*.

These results are great, but our school is about much more than just exams. We are an inclusive school which – as the only secondary school in the town – is determined to serve its local community well. Comprehensive school values are important to us. Students of all abilities thrive at Wallingford and we pride ourselves on giving students a chance who may not have had one at other schools.

Staff – both teaching and associate – are happy at Wallingford. Professional development is hugely important to us and our programme is varied but also bespoke to support individual needs and priorities. There are many opportunities for teachers to work collaboratively across the school. Our annual two-day Teaching and Learning Conference is the highlight of this programme. Student attitudes and behaviour are excellent and are frequently commented upon by visitors as being so. It is an excellent place to work and we are committed to staff wellbeing and a healthy work-life balance for all our colleagues. The successful applicant should expect to be very well supported in their professional development and the role would definitely suit and benefit ECTs.

THE MATHS TEAM

We are seeking a Maths teacher with the ability to teach Maths across the full ability range up to join our successful and dynamic department.

Maths is a successful and popular subject throughout the school and standards of achievement are high at all levels:

Sending every young person into the world able and qualified

GCSE Maths 87% 4+, 72% 5+ and 37% 7+

A level Maths 67% A*- B in 2022, consistently in the top 25% nationally (ALPS 3) for progress

Maths is taught by an enthusiastic and highly committed team of ten teachers. There is an emphasis on team work and mutual support, which is enabling the faculty to evolve to meet the challenge of a developing curriculum.

The Maths department is well resourced and all Maths classrooms are equipped with interactive whiteboards.

GENERAL DUTIES

At Merchant Taylors' Oxfordshire Academy Trust we pride ourselves on providing a safe and happy environment where young people can flourish and we want to send every young person into the world able and qualified to play their full part within it. This job description should be read in conjunction with the current School Teachers' Pay and Conditions Document and the provisions of that document will apply to the post holder.

Merchant Taylors' Oxfordshire Academy Trust is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. All successful candidates will be subject to Criminal Records Bureau checks along with other relevant employment checks.

You will be expected to carry out the professional duties of a teacher as outlined in the School Teachers' Pay and Conditions Document currently in operation, or any subsequent legislation. The performance of all the duties and responsibilities shown below will be under the reasonable direction of the Headteacher, or other Senior Manager if appropriate, who will be mindful of his/her duty to ensure that the employee has a reasonable workload and sufficient support to carry out the duties of the post.

The successful candidate will be expected to be a form tutor and on Friday mornings help with the delivery of the school's PSHE programme. In addition to support from within the Maths team, newly appointed staff are able to benefit from the induction support programme.

You will find many opportunities at Merchant Taylors' Oxfordshire Academy Trust and we look forward to receiving your application.
