We are a very successful, oversubscribed, vibrant and happy 11-16 secondary school, where relationships are strong, serving the market town of Church Stretton and the immediate area. Being a smaller rural school, we get to know our students and their families well. We are part of TrustEd Schools' Partnership, a local Multi Academy Trust, currently consisting of two secondary schools and four primary schools which work closely together with significant benefits for our students and staff.

This is an exciting opportunity to join our strong and highly successful Maths faculty. The successful candidate will join a welcoming teaching team of 4 staff, with a supportive Head of Department. The faculty has a well-established ethos of working collaboratively to get the absolute best out of every student and to ensure every team member can be the absolute best teacher they can be. We are seeking to employ an inspiring and enthusiastic Teacher of Maths.

The department benefits from excellent facilities and all teaching rooms have Clevertouch screens. Students at Church Stretton School are eager to learn.

The appointment is subject to satisfactory pre-employment clearances including references, medical clearance, and an enhanced DBS Disclosure under the "Rehabilitation of Offenders Act 1974". Further details regarding this check are available by visiting www.dbs.gov.uk. The school is committed to safeguarding and promoting the welfare of children and young people/vulnerable adults and expects all staff and volunteers to share this commitment. "The ability to communicate at ease with stakeholders and provide advice in accurate spoken English is essential for the post."

Applying online is our preferred option, but you can also email your completed application form to julia.morgan@csschool.co.uk, addressing your covering letter (2 sides of A4 maximum) outlining why you feel you have the skills and expertise to deliver outstanding outcomes for our students, to Mr John Parr, Headteacher.

If you would like to visit the school, please contact Miss Julia Morgan, PA to the Headteacher. Telephone 01694 722209 or email julia.morgan@csschool.co.uk. We would encourage you to visit in advance of your application so you can see first-hand our friendly staff and students.
