CREATING REMARKABLE SCHOOLS
NO CHILD LEFT BEHIND

www.beckfoottrust.org

Welcome to Beckfoot Trust

Thank you for taking an interest in Beckfoot Trust and its schools, we really appreciate it. We are working to create remarkable schools where no child is left behind. We need great people to join us in that endeavour.

We established the Trust in 2013 with two schools and have steadily built up to ten, with four secondary, four primary and two special schools. We created the Trust because we believe that schools are stronger by working together. To join the Beckfoot Trust a school has to be located in Bradford, be genuinely comprehensive in character and critically, to believe in the power of collaborative practice to drive improvement.

We educate over 7,300 learners aged 2 to 19 and have 1100 staff. All of our schools are improving at pace and we have seen some remarkable transformations. There is huge pride across our community in what we stand for and are seeking to achieve.

Please take the time to read our Strategic Vision document: 'Creating Remarkable Schools'. It sets out very simply our core purpose, our key features and our ambitions for young people and our staff. 'No child left behind' is our mantra. Equally, please read our 'Workload and Well Being 10 pledges'. Everything we do is shaped by these two documents.

We use formal collaborative networks and extensive professional development programmes to share best ideas, identify talent and develop it. We work with external partners to accelerate our development.

We believe that Beckfoot Trust is a great place to work. We offer competitive salaries, dedicated INSET days for planning, bespoke professional development including career stage leadership development programmes and much more. In particular, our Early Years Career Strategy ensures that teachers new to the profession are well supported as they transition from trainees to accomplished teachers.

Please read more about us across our website and contact us at BeckfootTrust@beckfoot.org if you would like to visit us and talk about our work in more detail. It would be lovely to see you.

Beckfoot Oakbank

Thank you for your interest in our school and the work we are doing to transform life chances for young people in Keighley.

At Beckfoot Oakbank we are incredibly proud of our students and their desire to be involved in shaping the way the school moves forward. 2019 saw Beckfoot Oakbank host the first Trust wide student leadership conference – a great moment for our student leaders

Some of the other highlights last year included:

- Three great celebration events where students were recognised for academic attainment, attitude to learning, community contributions, progress and sporting successes.
- Our school show – High School musical!
- Enrichment week saw our students engage in a raft of activities that added to their educational experience ranging from arts and crafts, a tour of Yorkshire to residential trips in Europe.
- In enrichment week the year 10 students engaged in a range of activities that would help prepare them for their next steps.
- We also had a range of winners in a prestigious engineering competition.
- Sporting success were many as are the opportunities to be involved in a range of sports and activities.

The summer results saw all of our Post 16 students be successful in their progression to higher education and at GCSE we saw a real increase in the number of top grades for individual students. We are not complacent and are working hard to develop our curriculum and improve outcomes for all our learners. Our students are polite and respectful towards their peers, staff and visitors as acknowledged by the Ofsted inspection team in May.

As a school we know we are on a journey of improvement and our aim is to be a truly great school. We are keen to involve our families and our local community in this journey in order that we ensure that our students love learning, celebrate diversity and are inspired to be self-confident open minded, decisive young adults with the skills and experience to succeed in life.

Working and living in Bradford

Five Reasons to Teach in Bradford from BradfordTeaching.org

<https://www.bradfordteaching.org/>

1. Demand for good quality teachers is high. We are the youngest city in England – almost a third of people living in Bradford are under 20 – so education is key to our future.
2. You'll get experience of working with different people and cultures in one of the most diverse cities in the UK. About half of our school students are from black, Asian or minority ethnic communities.
3. You'll find school leaders on a mission to deliver the best education possible to create life chances for young people. We have one of the first research schools in the country and strong multi-academy trusts, offering exciting career opportunities.
4. You will change lives here. About a quarter of our children are classified as living in poverty. If you believe that opportunity should never be limited by a child's family income, then we need your passion and your skills in Bradford.
5. We're a growing, ambitious city with an entrepreneurial spirit and a trend of educational improvement. Be part of our success story.

A Wonderful City to Live in

<https://www.visitbradford.com/visitor-information.aspx>

An award winning, cultural destination and one of the youngest, most vibrant places in the country. Combine a UNESCO City of Film and World Heritage Site with wild and beautiful moorlands, throw in world class artists such as David Hockney, and literary greats, The Brontës, couple that with a vibrant city, packed with heritage and fun things to do, and you have Bradford! With attractions such as Brontë Country, Keighley and Worth Valley Railway, the Cow and Calf rocks, Ilkley Lido, Salts Mill, the National Science and Media Museum, and the Alhambra Theatre, all just a short train journey apart; it's no wonder Bradford has been awarded the title 'Emerging Destination 2018' by the Luxury Travel Guide.

It is a cultural city with many attractions and an impressive history, which is reflected in the striking architecture found throughout. Take in the high profile exhibitions and interactive galleries at the National Science and Media Museum, which overlooks the multi award winning City Park, a beautiful water feature and an arena for a spectacular events programme throughout the year. Bradford city centre is home to the Alhambra Theatre and newly reopened St George's Hall. Both over one hundred years old, they offer a complementary mix of comedy and west end shows. Proud to have been one of the richest cities in the country due to its international recognition for wool, the Wool Exchange, built in the 19th Century, still shows the wealth and importance wool brought to Bradford through its architecture. Nowhere is this more evident than in Little Germany, a unique collection of 19th Century buildings, 55 of which are listed.
