### **Managing Student Learning**

To ensure

- Effective teaching of students so that learning objectives are met, momentum and challenge are maintained and the best use is made of teaching time
- High expectations for students, behaviour and the establishment and maintenance of a good standard of discipline through well-focused teaching and through positive and productive relationships
- Teaching methods are used that maintain students engagement
- Good use is made of textbooks, ICT and other learning resources which enable learning objectives to be met
- Health and safety regulations are observed and safe working practices followed

### **Progress, Evaluation and Assessment**

To ensure

- Assessment of how learning objectives have been successfully achieved is carried out, and that this assessment is used to enhance further teaching
- Marking and monitoring of classwork and homework provides constructive oral and written feedback setting targets for students' progress
- An understanding of the demands expected of students in relation to the National Curriculum relevant Key Stage
- Progress towards student targets is secured

### **Relationships with Staff, Parents and Community**

To ensure

- Accurate and informative reports are prepared for presentation to parents
- That there is a recognition that learning takes place outside a school context, and opportunities are provided to develop students' understanding by relating to real and work-related examples
- Effective working relationships are established with professional colleagues within our "one staff" ethos
- Participation in the development of schemes of work, materials and syllabuses of the department and attendance at subject team meetings

### **Managing Performance and Development**

To ensure

- Responsibility is taken by individuals for their own professional development
- A good example is set to students by the way individuals present themselves and by their personal conduct
- Self-evaluation of teaching takes place and is used to improve its effectiveness
