

Required - from September 2022

Teacher of Mathematics: MPS

We are looking for a motivated and inspiring teacher to join our friendly and supportive team in a brilliant department. Whether you are an NQT looking for an encouraging first school or an established teacher looking for further responsibilities we would like to hear from you. We would encourage you to come and visit our school and meet the staff and students however and our school website will give you a good idea of what it would be like to join the teaching team at St Birinus.

The role is a full time position and we are able to offer a varied teaching timetable, which suits your experience and aspirations, and can include responsibilities and roles within the Maths faculty or the school as a whole. There is also the potential for a TLR with responsibility for a whole school area for development for the right candidate in leading Ethos and the House system at SBS.

The school has a reputation for dynamic and innovative Teaching and Learning – and we welcome applications from candidates who will be able to contribute to this ethos. The Maths Faculty has excellent student outcomes both at GCSE and A Level, in the top 10% of any school in the UK and maths is a very popular course in the Sixth Form so there are opportunities for A Level teaching for those interested.

St Birinus School is judged to be a Good school with students meeting the school's high expectations (OFSTED Report February 2020). The OFSTED reports states "St Birinus School is a vibrant and inspiring place for pupils to learn. Pupils are very proud of their school. They feel it is a friendly and welcoming place where they really feel valued."

St Birinus is in the top 5% of all schools nationally for boys' progress which accurately reflects our aspirational expectations and ethos.

The Application Process

If you would like to apply, please return the following by the closing date: Monday 6th December, 9am
