May 2022

Dear Candidate

Thank you very much for expressing an interest in the position of Maths teacher at Hatch End High School.

We are looking to appoint an inspirational and dynamic teacher of Maths from September 2022. We are looking for someone who can teach Maths up to at least GCSE. This appointment is suitable for Newly Qualified Teachers or an experienced teacher.

Our Maths examination results are consistently above the National Average for progress, but we feel we can do even better. Maths A Level is extremely popular at Key Stage 5. This is an exciting opportunity to join a thriving faculty with a strong supportive team of teachers, some with extensive experience. The Maths Department benefits from a fully dedicated suite of rooms including access to ICT provision.

Hatch End High School is a warm, vibrant and stimulating place to work. We are a lead school in teacher training and regularly welcome many trainees from the highly acclaimed TeachFirst Programme. Continuing professional development is at the core of everything we do, and you would be joining an organisation which believes that our teachers and middle leaders form the engine room of any school's success. All teachers are encouraged to pursue a wide range of professional development and we play a key role in a highly successful Teaching School Alliance. You would receive outstanding support from a dynamic Senior Leadership Team and be offered numerous opportunities to grow in the school's success. Early Career Teachers (ECT) are particularly well catered for with an intensive support programme.

Our website has comprehensive information on the many fantastic opportunities at the school and would urge you to read this before applying, particularly our ["Your Career at Hatch End High School" prospectus](#). If you would like to discuss the role informally before submitting an application, please do not hesitate to contact hr@hatchend.harrow.sch.uk.

I very much look forward to reading your application.

Very best wishes.

Ms S Maguire
