Highworth Grammar School combines a tradition of academic excellence with extensive pastoral support. The school has been educating students from the Ashford community for over a century and we are now a thriving school with over 1500 students and 140 staff. Whilst the school is academic, we recognise and fully support the creative aspects of the curriculum and are proud of the many opportunities provided for achievement in music, D&T, and the arts. We believe this is crucial in our ethos in encouraging our students to be independent, creative and highly motivated lifelong learners.
