Ted Wragg Trust

An ambitious and inclusive Trust of schools strengthening our communities through excellent education.

**Welcome from the Ted Wragg Trust
CEO, Moira Marder**

On behalf of the Ted Wragg Trust, I would like to thank you for your interest in working with us. The Ted Wragg Trust is an **ambitious** and **inclusive** Trust of schools **strengthening our communities** through **excellent education**. Our values driven, rapidly growing 2-18 Trust has the highest expectations for every child, every day, with social justice at our core.

This is a hugely exciting time for us as a growing Trust who work closely with other local schools and Trusts across Devon.

We demonstrate our love through our values

How we will succeed

Matford Brook Academy

This is an exceptional opportunity to be part of a brand new, all-through school in a vibrant city. We opened in September 2023 to a new cohort of Year 7 pupils, building on this in 2024 with our first Nursery and Primary cohorts. Each year we are building on our year groups.

We are looking for someone who is excited by the potential of a start-up school, enjoying all aspects of what this offers; someone who passionately wants to be in our founding team. With energy and ambition for this new school community, a resourcefulness for any challenge that arises, and a commitment to creating a flagship school in the South West, we will 'write our story' together.

Together, we are building a limitless environment for our children where everything is possible and where the exceptional is delivered as a norm. We show our love for our pupils in everything we do and in our relentless aspiration for every child in our school.

The Role of Maths Teacher

As teacher of Maths, the most important thing you can offer our pupils is a clear love of, commitment to and passion for your subject. You will be teaching predominantly in our secondary phase initially, and opportunities can be developed as our primary phase grows, to include all-through teaching. Your current experience may be in either phase.

You will be instrumental in implementing and delivering an exceptional curriculum, drawn from the Trust's curriculum offer, and supporting an all-through sequence of learning from 2-16. Your passion for this curriculum area will ensure every child enjoys opportunities within the classroom and beyond through our extra and super-curricular offer.

Our Maths curriculum includes a flagship booklet-lead curriculum which the successful candidate will be integral in developing, Sparx Maths software for all children and the use of oracy strategies to enable all pupils to become proficient and confident at articulating their thoughts.

The role will be developed to get the best from – and for – the successful candidate so please get in touch with us to explore how MBA may become part of your story. This role is suitable for an established teacher. With the support of exceptional leaders, all staff benefit from a culture of coaching and feedback.

We will be building the school together through an iterative model; we need staff who are confident in giving and receiving feedback to ensure that what we are creating is exceptional. Our staff are unyielding in their commitment to every child's success and to the crucial part schools play in social justice.

Mission and Values

Our mission at Matford Brook Academy is to provide an excellent, all-through education that empowers children to believe they can, and should, change the world around them. We summarise this in one mantra that is woven through the fabric of our school: at Matford Brook Academy, we write our story. We are providing a school with an excellent education and broad opportunities for our children, rooted in the core understanding that, in order for children to thrive both now and in their future, they need to believe that the greatest influence on their lives is themselves.

We are a school where all staff build positive relationships with children, parents and visitors to the school, seeing this as fundamental to every child's success.

We reflect this through the Values of Scholarship, Kindness and Community.

You can read more about our Values on our website.

All-through Model

All-through schools are uniquely positioned for children to have a seamless educational journey, supported from the moment they first step into school to their aspirational next steps. Joining in the Nursery & Preschool, Reception or Year 7, pupils and their families benefit from the opportunity to stay at the same school for their whole school career.

Transitions can be a challenge; all-through schools avoid this with staff knowing pupils and their families well, providing continuous support and a consistent school experience.

For staff, whether your experience to date has been within EYFS, primary or secondary – or, indeed, all-through – you will be an all-through colleague, working closely with our whole team. With the opportunity to draw upon the expertise of colleagues across the phases, we provide the very best educational experience for all of our pupils.

Matford Brook Academy is intentionally designed as a 'cradle to career' school, modelled on the innovation at Reach Academy, Feltham and currently in development at Ted Wragg's other all-through school, Cranbrook Education Campus. We believe that schools are civic institutions that have a responsibility to its community and we are energised by the opportunity to build an integrated pipeline of support for our families.

Why choose Matford Brook Academy?

We reflect our mission and values in the deliberate design of Matford Brook Academy, including the following:

An unashamedly ambitious, knowledge rich curriculum that takes children beyond their known experience

A pre-planned, booklet-based curriculum, supporting staff to be able to focus on how they will enact their lessons

A relentless focus on the importance of school culture with a 'warm-challenge' approach, first names for all and disruption-free classrooms

A drive that 'Every Child Succeeds', empowering the participation of all pupils

An emphasis on our mission and Values in all we do

A consistent pedagogical approach in every classroom, enabled through coaching and all-staff deliberate practice

A commitment to oracy and public speaking and a passion for reading

A 'Community Dining' model where staff & pupils come together each lunchtime

As a community, giving Appreciations to each other

A focus on the importance of line management through our 'How Can I Help?' meetings and an investment in current and future leaders in every role

“ Staff testimonials

I love working for such a forward thinking and collaborative team who really care about the wellbeing and success of each person in our community. It is such an exciting opportunity to create our school culture from the beginning and I have never been so optimistic about the outcomes of the children in my care. As a teacher and as a leader, I feel supported in my decisions that uphold the highest expectations for pupils, creating a high level of consistency in our classrooms that allows the really enjoyable aspects of the job to shine through.

Abi

Assistant Headteacher (Mathematics and Personal Development)

Luke

I was attracted to work at Matford Brook Academy for the unique opportunity to become a foundational root of a growing local community. It is so rewarding being part of a supportive staff body which prioritises a culture of high expectations and consistency. Ultimately, this has a profound impact on pupils' learning and their ability to become brilliant authors of their story.

Teacher of Sports, Health and Nutrition

I am incredibly proud to be part of the inaugural team growing something so special at Matford Brook Academy. Building a calm, focused yet stimulating learning environment around a truly kind and caring community has always been an ambition of mine. It is so incredibly rewarding to see our vision come to life.

Emma

Assistant Headteacher (Science and Curriculum & Assessment)

Theo

Being part of the inaugural team at Matford Brook Academy has truly felt like a once in a life-time experience. This school is something special. Everything I felt needed to happen in order to give pupils the very best is happening here and being able to share my voice and seeing the impact of that is everything that I wanted out of my career.

Pupil Empowerment Lead & DDSL

Job Description

Teacher of Maths

Key Purpose of the Role

To support the growth of the new, all-through school, upholding its vision and values at all times and embedding the systems and processes to enable every child to thrive.

To implement and deliver an appropriately broad, balanced and relevant curriculum for pupils across the age and ability range (all-through), in accordance with the requirements of a professionally qualified teacher, and in other curriculum areas, as required.

To provide, facilitate and encourage a learning experience, which provides pupils with the opportunity to achieve their individual potential, regardless of their social or cultural background.

Your Responsibilities

Teach your specialist, and other subjects as required, across the age and ability range (all-through) in such a way as to challenge and inspire all pupils, with clear objectives, delivered in line with Trust schemes of work and school policies.

Plan and deliver lessons to pupils according to their educational needs and with reference to prior attainment, SEN and EAL as required, striving to ensure equal opportunities for all and no gaps in achievement between particular groups.

Assess, record and report on the development, progress and attainment of pupils in line with school policies, ensuring that marking and assessment are of consistently high quality.

Set high expectations for pupils and develop their behaviour for learning through teaching to the school's pedagogical principles and through the development of positive and productive relationships.

Promote enrichment and extension of the curriculum across the school, participating in and developing events, trips and visits as well as producing high quality displays.

Develop and deliver an exciting programme of extracurricular opportunities, performances and school trips for all pupils, monitoring the engagement of all key groups and building partnerships with external organisations to enrich their options, and supporting transition work

Take a full role in the pastoral system of the school by being a tutor and a member of staff well known to the community of pupils and their families.
