

Teacher of Maths  
Oasis Academy Daventry Road  
(Bristol)

# Exceptional Education at the Heart of the Community

Dear Colleague

Thank you for your interest in this important role at Oasis Academy Daventry Road (OADR).

## **Our School**

We are a new secondary school in South Bristol. We opened in September 2023 to Year 7 students only and will grow year on year until we have 5-year groups and 900 young people. From September 2024 we will have Year 7 and Year 8 students. We are currently in temporary accommodation on the site of Oasis Academy John Williams (Petherton Road, Bristol) before we move to our brand new, state of the art, permanent home on Daventry Road, Bristol.

## **Our Community**

We predominantly serve the Knowle, Knowle West and Filwood areas of South Bristol. Our community campaigned for many years to have a local school for their children and are deeply committed and passionate in their support for us. We are proud to be a truly comprehensive school. Some of the areas we serve are among the most disadvantaged in the city. 63.1% of our students receive Free School Meals. 28.5% have SEND. A majority are from a White British background. Our students are very proud of their school. They behave well, are keen to learn and embrace the wider life of the school. A vast majority of our students are involved in student leadership and/or our extra-curricular offer (Period 6).

## **Our Values**

We strive to be a school that is very much the heart of the community where everyone associated with us is proud to call 'their school'. Each child who walks through our doors must leave equipped with the capacity to thrive in the wider world and contribute positively to it. Every young person deserves to realise the very best version of themselves regardless of socio-economic background, gender, ethnicity, educational need, or any other historical 'barrier' to achieving this. We will provide the boundaries, support, opportunities, and inspirational learning required to facilitate this. Our values of being 'considerate', 'ambitious' and 'ready to learn' drive everything we do in our day-to-day actions and strategic planning.

## What we offer

You will be joining an extremely talented and highly committed staff team. We all care deeply about our students and the school, determined to deliver the very best for our community. The school follows the OCL curriculum – centrally planned by subject experts within the trust, to be adapted to meet the needs of our students. You will benefit from regular CPD delivered within

the academy, as part of a local cluster and nationally by the OCL learning and development team. Being part of a relatively large trust presents opportunities to learn from others as well as clear routes of career progression for both teaching and support staff. Succession planning and career development are very much at the forefront of our thinking, ensuring that you get the chance to develop your skills and/or be well-placed for the next step in your career. Above all, OADR is an exciting and pleasant place to work. Morale is high amongst staff and your well-being will always be a priority. Perhaps above all, we offer you the chance to grow with the school and play an active role in shaping its future.

## What we are looking for

Quite simply, we want someone who shares our values and vision for delivering exceptional education at the heart of the community. Someone who is hard-working, driven and willing to continually learn/develop. We want an individual who will complement and enhance our existing team with their skills and personality.

OADR is a great place to work and is in the early stages of building a really special school community which will be truly transformational. We hope that you feel inspired to join us on that journey.

We welcome visits and/or informal conversations ahead of any application. If you wish to arrange one, or have any other questions, please contact [recruitment@oasisdaventryroad.org](mailto:recruitment@oasisdaventryroad.org) and one of the team will be in contact.

I look forward to receiving your application. Good luck!
