Dear applicant,

Allow me to extend a warm welcome from all governors, staff and students of Scalby School.

I was delighted to be appointed Headteacher in January 2018 and while any Head will say their school is special – I truly believe Scalby is.

It is hard to encapsulate in words the full dynamism and vibrancy of our school. We are hugely proud of our students and privileged to serve them and this community. We see it as our professional and moral duty to prepare them as individuals to play their part as active citizens – rounded and centred and aware of all they might contribute to the world. In practical terms, this commitment is manifested in the lessons we deliver, the extra-curricular opportunities we offer and in the wider opportunities we promote.

Scalby is a school with a strong academic tradition but we are equally committed to the Arts, to sport and to collective and individual achievement beyond the classroom. Our annual productions held at the Stephen Joseph theatre are testament to this, and over the years we have seen productions of Macbeth, Romeo and Juliet, Our House to name but a few.

We have developed and benefited from our partnerships within Scalby Learning Trust, Scarborough Teaching Alliance and local secondary and primaries – a few reasons to join us!

In recent years enormous strides have been made to further increase learning standards. This hard work has seen results improve consistently and led to Ofsted rating our school as 'Good' in 2012 and in 2019. I truly believe we are a school with highly effective teachers producing outstanding outcomes for our students.

I hope you can see that this is an excellent time to join Scalby. If successful you will join a staff team of wonderful professionals who have ambition for our students and for themselves. I take pride in ensuring colleagues receive opportunities to develop their skills and experiences – and we have an enviable reputation for delivering high quality professional development.

I hope that you will take the time to come and see and experience for yourself the warm and welcoming atmosphere which makes our vision a reality.

Good luck with your application.

Michael McCluskie
Headteacher

Our results

Scalby School's 2019 GCSE results are once again characterised by high levels of achievement.

Provisional analysis shows that, for the fourth year in a row, our students made significantly better progress than their peers did nationally. Results in English, Maths and Science are above the national averages at Grade 4 and Grade 5, with 36% of students achieving a Grade 7 or better in English, 28% achieving Grade 7 or better in Maths and 21% achieving Grade 7 or better in two sciences.

This year's results are particularly pleasing because of the high number of students who achieved Grade 8 and 9 across a number of subjects.

None of these fantastic results would have been possible were it not for the professionalism and dedication of our teachers and learning support teams. These results mean that our students leave us now being able to access a wide range of post-16 courses at college and they have the skills and knowledge valued by employers."

Our success in our GCSE results follows our positive Ofsted inspection in February this year. With a similar Progress 8 score to 2018, which places us in the top 20% of schools nationally, we are delighted that the high quality of education on offer has been doubly validated at a national level.
