

Job Title:	Teacher - Maths
Salary Grade:	MPS/ UPS (plus TLR for right candidate)
Hours:	Full time
Location:	Ryedale School
Responsible For:	Not Applicable
Responsible To:	Head of Department

Job Purpose

- Bring Maths to life in a way that excites and inspires learners to learn and succeed.
- Promote effective learning, appropriate achievement and educational, social and personal progress of all learners for whom the teacher is designated as being responsible, consistent with the aims of the school and the unique needs of each individual.

Key Responsibilities

Developing Professional and Constructive Relationships

- Have high expectations of children and young people including a commitment to ensuring that they can achieve their full educational potential and to establishing fair, respectful, trusting supportive and constructive relationships with them.
- Communicate promptly and effectively with parents, conveying timely and relevant information about attainment, objectives, progress and well-being.
- Have a commitment to collaboration and co-operative working.
- Work as a team member and identify opportunities for working with colleagues, managing their work where appropriate and sharing the development of effective practice with them.

Working within the Law and Frameworks

- Maintain an up-to-date knowledge and understanding of the professional duties of teachers and the statutory framework within which they work, and contribute to the development, implementation and evaluation of the policies and practice of their workplace, including those designed to promote equality of opportunity.
- Know the current legal requirements, national policies and local guidance on the safeguarding and promotion of the well-being of children and young people.
- Know how to identify potential child abuse and follow safeguarding procedures.
- Know how to identify and support children and young people whose progress, development or well-being is affected by changes or difficulties in their personal circumstances, and when to refer them to colleagues for special support.

Developing Practice

- Evaluate your performance and be committed to improving your practice through appropriate professional development (i.e., training, mentoring etc.)

- Have a creative and constructively critical approach towards innovation; being prepared to adapt your practice where benefits and improvements are identified.
- Review the effectiveness of your teaching and its impact on learners' progress, attainment and well-being refining your approaches where necessary.

Professional Skills

- Plan for progression across the age and ability range they teach, designing effective learning sequences within lessons and across series of lessons informed by secure subject/curriculum knowledge.
- Design opportunities for learners to develop their literacy, numeracy, ICT and thinking and learning skills appropriate within their phase and context.
- Teach challenging, well-organised lessons and sequences of lessons across the age and ability range you teach in.
- Use an appropriate range of teaching strategies and resources, including e-learning, which meet learners' needs and take practical account of diversity and promote equality and inclusion.
- Build on the prior knowledge and attainment of those you teach in order that learners meet learning objectives and make sustained progress.
- Develop concepts and processes which enable learners to apply new knowledge, understanding and skills.
- Adapt your language to suit the learners you teach, introducing new ideas and concepts clearly, and using explanations, questions, discussions and plenaries effectively.
- Teach engaging and motivating lessons informed by well-grounded expectations of learners and designed to raise levels of attainment.
- Make effective use of an appropriate range of observation, assessment, monitoring and recording strategies as a basis for setting challenging learning objectives and monitoring learners' progress and levels of attainment.
- Provide learners, colleagues, and parents with timely, accurate and constructive feedback on learners' attainment, progress and areas of development.
- Support and guide learners so that they can reflect on their learning, identify the progress they have made, set positive targets for improvement and become successful independent learners.
- Use assessment as part of your teaching to diagnose learners' needs, set realistic and challenging targets for improvement and plan future teaching.
- Establish a purposeful and safe learning environment which complies with current legal requirements, national policies and guidance on the safeguarding and well-being of children and young people so that learners feel secure and sufficiently confident to make an active contribution to learning and to the school.
- Manage learners' behaviour constructively by establishing and maintaining a clear and positive framework for behaviour management, in line with Ryedale School's behaviour policy.
- Promote learners' self-control, independence and cooperation through developing their social, emotional and behavioural skills.

Professional Knowledge and Understanding

- Have a good, up-to-date working knowledge and understanding of a range of teaching and learning strategies and know how to use and adapt them, including how to personalise learning to provide opportunities for all learners to achieve their potential.
- Know the assessment requirements and arrangements for the subjects/curriculum areas they teach, including those relating to public examinations and qualifications.

- Know a range of approaches to assessment, including the importance of formative assessment.
- Know how to use local data to evaluate the effectiveness of their teaching, to monitor the progress of those you teach and to raise levels of attainment.
- Have a secure knowledge and understanding of your subjects/curriculum areas and related pedagogy including: the contribution that your subjects/curriculum areas can make cross-curricular learning; and recent relevant developments.
- Know and understand the relevant statutory and non-statutory curricula and frameworks, including those provided through the National Strategies, for your subjects/curriculum areas and other relevant initiatives across the age and ability range they teach.
- Know how to use skills in literacy, numeracy and ICT to support your teaching and wider professional activities.
- Understand how children and young people develop and how the progress, rate of development and well-being of learners are affected by a range of developmental, social, religious, ethnic, cultural and linguistic influences.
- Know how to make effective personalised provision for those you teach and how to take practical account of diversity and promote equality and inclusion in your teaching.
- Know when to draw on the expertise of colleagues, such as those with responsibility for the safeguarding of children and young people and special educational needs and disabilities, and to refer to sources of information, advice and support from external agencies.

Personal Responsibilities

- Hold positive values and attitudes and adopt high standards of behaviour in your professional role.
- To carry out the duties and responsibilities of the post, in accordance with the School's Health and Safety Policy and relevant Health and Safety Guidance and Legislation.
- To take responsibility for safeguarding and promoting the welfare of children.
- To use information technology systems as required to carry out the duties of the post in the most efficient and effective manner.
- To undertake training and professional development as appropriate.
- To undertake other duties appropriate to the post that may reasonably be required from time to time.

Safeguarding

- To be familiar with and comply with Ryedale School's safeguarding requirements which protect the welfare of children and young people.
- Ryedale School recognises that it has a statutory and moral duty towards safeguarding the welfare of children, young people and, if appropriate, vulnerable adults who participate in any Ryedale School activities and expects all staff to share this commitment.
- All safeguarding mandatory training and updating must be undertaken.

NOTE: Please be aware that this job description should be read alongside the range of duties of teachers set out in the annual School Teachers' Pay and Conditions Document. The responsibilities and duties outlined above are not exhaustive, nor are they shown in the order of priority or frequency. They may be varied from time to time after consultation with the post holder. You may, from time to time, be required to work evenings, Saturdays or on a Sunday.
