

TEACHER OF MATHEMATICS

START DATE: SEPTEMBER 2023

SCHOOLS ACHIEVING SUCCESS TOGETHER

SHERBORNE AREA SCHOOLS' TRUST

March 2023

Dear Applicant,

Thank you for expressing an interest in the post of Teacher of Maths at Shaftesbury School.

This is a key time in the development of Shaftesbury School; we are looking for a Teacher of Maths to join our team from September 2023. This is a permanent, full-time role.

In our most recent inspection, we were delighted that we were judged by Ofsted as being “Good”. Our SIAMS inspection also highlighted that we have areas of excellence across the school community and we are a place where children thrive.

It is a privilege to be the Headteacher at Shaftesbury School. The school we are building together is based upon our three core values of aspiration, action and achievement and are underpinned by the Christian foundation centred on Galatians 5:22-23, which is communicated and lived out through the Fruit of the Spirit. This is a school where every member of the community is encouraged ‘to be the best they can be’. These core values, along with the staff having the highest expectations of every student, guide my desire to ensure that we are able to inspire confident learners, who will leave Shaftesbury School with a really good level of knowledge, skills and experience to flourish in an ever-changing world.

We are pleased to be part of the Sherborne Area Schools’ Trust (SAST). There is real strength in coming together with a collective responsibility for all of the children’s development and progress between 0-19 years. We believe in preserving schools in their local community. This means that there will be considerable local expertise to support the school and staff with the chance to make a contribution to wider developments.

Shaftesbury School is a great place to work and is a beautiful town itself; most students come from Shaftesbury and the surrounding area. The school is set on the edge of the town, close to the A303 and within easy commuting distance of the south coast of England, Bath, Salisbury, Yeovil and beyond.

We are looking for someone with high expectations, who is able to motivate and organise, and also laugh and enjoy the challenges of this role. We are looking for someone who will go the extra mile and can make substantial and sustained contribution to the school support team and beyond. In return, you will join a School and Trust that is full of activity, opportunity and optimism.

We look forward to reading your application and we will contact all applicants following shortlisting.

There is further information about the school on our website www.shaftesburyschool.co.uk and the trust at www.sast.org.uk

You are very welcome to visit us in advance of an application or please contact the school office for any further information. On behalf of the staff, children, and governors we look forward to meeting you.

Very Best Wishes,

Donna London-Hill
Headteacher

SHERBORNE AREA SCHOOLS' TRUST (SAST) INFORMATION

SAST is a multi-academy trust, formed in June 2017, of seven schools serving the West and North Dorset area as well as students from South Somerset. Currently, there are 17 schools with more than 5,000 students and over 850 members of staff. SAST has large town primary schools with over 300 children, smaller village primary schools and nursery provision. SAST also has 4 secondary schools including a state boarding school and Sixth Form and a large 11-18 secondary school with a Sixth Form of over 400 students. There is a mix of formerly maintained and Church of England schools - both voluntary controlled and voluntary-aided in the Diocese of Salisbury. We believe in preserving Schools in their local community.

Our Schools:

A key principle of the SAST is that member schools maintain their own character, such as church and community status. All schools in the multi-academy trust are equal partners and are committed to the principles of collaboration, sharing expertise and resources to enable all partner schools to deliver excellent education for all young people in their care.

At the heart of SAST is the desire to work in partnership, to collaborate with others and to be outward facing for the benefit of children and staff. The schools have extensive links beyond the immediate area and are keen to extend these further.

SAST works by providing opportunities to share and improve - to develop further our provision as well as supporting the quality of leadership and management. This includes sharing best practice, being creative in maintaining a broad and diverse curriculum, ensuring the care and support is in place for children and families and enabling further staff and teacher development. We also work together on meeting the challenges of funding and the opportunities for financial efficiency, determining for ourselves which services and providers we will use to provide outstanding provision for our children. There is real strength in coming together with a collective responsibility for all the children's development and progress between 0-19 years.

What we value – our ethos:

Partnership and Collaboration

Our schools support each other, by sharing expertise and resources, to ensure improvement.

Pursuit of Excellence

We provide a high-quality education to enable all students and staff to aspire, thrive and succeed.

Holistic Lifelong Learning

We promote the personal development of every child and a love of lifelong learning for our students and staff.

Equality and Distinctiveness

We celebrate the individuality of each school and all in it. We are proud to be at the heart of our local communities.

Organisation - How we work:

All our schools are successful. Of course, we recognise that we need to continually improve and evolve. The priority is to enable every School to continue to provide an excellent education for all our students while protecting the school's role at the heart of its community, along with our unique qualities and strengths.
