

THE COOPERS' COMPANY AND COBORN SCHOOL
ST MARY'S LANE, UPMINSTER, ESSEX, RM14 3HS

Website: www.cooperscoborn.org.uk

Headteacher: Ms Sue Hay

**TEACHER OF MATHS
SALARY: MAINSCALE
REQUIRED FOR SEPTEMBER 2021
NQTs are welcome to apply**

The Coopers' Company and Coborn School is a dynamic, co-educational school. Inspired by our historic tradition of 'Love as Brethren', we strive to be outstanding in everything we do, producing young people who have the confidence, qualifications, experience and aspiration to be successful in the 21st Century world.

We are seeking an enthusiastic candidate to join the very successful Mathematics Department. The school has excellent facilities, is over-subscribed and is attended by highly motivated students, who achieve excellent results.

The Mathematics Department consists of 12 teachers. The successful candidate will be expected to teach across all three key stages.

Students in Years 7 & 8 are taught in mixed ability classes. Students in years 9 to 11 study a 3-year GCSE course. The majority of our students are entered for the higher GCSE examination, with only a very small number taking the foundation qualification. Our results at GCSE are consistently strong and the number of students taking A level Mathematics with us has grown significantly in recent years. Further Mathematics is also taught, and the ability to teach Further Mathematics would be an advantage. We are members of the Advanced Maths Support Programme and CPD opportunities relating to our A Level provision are available through them.

We enjoy a fine reputation for the quality of our pastoral care and extra-curricular provision and are committed to the professional development of all our staff, as well as innovative teaching and learning strategies.

The school is a short walk from Upminster station where Overground and Underground services are available; these connect to central London (Fenchurch Street), Romford and all District Line destinations. The school is also a short drive from the M25, A12 and A13.

Interested colleagues are invited to contact Gill Dove, Head of Mathematics, for further information about the post. Her contact details are gdo@cooperscoborn.co.uk

Completed application forms should be sent to Samantha Durrell, Human Resources at recruitment@cooperscoborn.co.uk

Closing date for the receipt of applications is Friday 7th May 2021 at Noon

Interviews will be held shortly afterwards

**CVs AND APPLICATIONS FROM RECRUITMENT AGENCIES
WILL NOT BE ACCEPTED**

The Coopers' Company and Coborn School values diversity and is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

The successful candidate's appointment will be subject to the receipt of a satisfactory Enhanced Disclosure (via the Disclosure & Barring Service) and Pre-employment checks

The school reserves the right to interview suitable candidates before the closing date, if the situation arises.
