As part of this commitment we offer an interview to any disabled person who declares a disability and meets the minimum criteria for the job. **It is important to note** that there may be rare occasions where it is not practicable or appropriate to interview all disabled people that meet the minimum criteria for the job. **For example,** in certain recruitment situations such as where there is a high number of applications, the school/academy may have to limit the overall numbers of interviews offered to both disabled people and non-disabled people. In these circumstances the school/academy may select the disabled candidates who **best** meet the minimum criteria for the job rather than **all** of those that meet the minimum criteria, as they would do for non-disabled applicants.
