Strong community. Big ambitions.

REQUIRED FOR SEPTEMBER 2024

1.0 FTE Teacher of MATHEMATICS (KS3/KS4)

All teaching posts are MPR/UPR depending on experience.

Applications from Early Career teachers welcome.

Do you want to work in a school that is friendly, supportive and close-knit, but whose ambitions for our students are not limited by our size?

Are you excited by the opportunity to help a school move from being a Good one (widely praised in our 2017 and 2022 Ofsted inspections), to one that is recognised as Outstanding in all areas?

If so, The Wensleydale School is the school for you.

We are situated in the heart of the picturesque Yorkshire Dales, a spectacular place to live and work. Wensleydale is a happy place in which students and teachers expect to treat one another with respect. We are fiercely ambitious for our students, care deeply about all aspects of their success and value everyone's unique differences.

In debating, we compete against leading independent schools in national finals. We are very proud of our successes on the sports field, taking home trophies from many of the local sporting competitions. Our enrichment activities and trips are the envy of other schools.

We are not just looking for an individual who can inspire in the classroom, but someone who can add to our strong sense of community by embracing the possibilities we offer.

If you are an exciting teacher who will deliver lively, interesting Maths we would like to hear from you.

In return, our desire for the very best for our students is mirrored by our desire to support our staff. We offer:

- A thorough induction and a 1:1 Senior Leadership Team (SLT) mentor in your first year
- Enhanced personal professional development
- A supportive and highly effective Senior Leadership Team
- Approachable and helpful colleagues
- Easy to use systems that enable the effective use of data to raise attainment
- A consequence-led behaviour system that builds restorative practice and positive relationships
- Your wellbeing at the centre of everything we do as a staff.

Above all, the key reason staff stay at Wensleydale is our students.

Our wider community is incredibly supportive of the efforts and highly values the relationships we develop with them and the wide variety of extra-curricular activities and other opportunities that the school offers.

Wensleydale has a well-established and experienced senior and middle leadership teams.

All those associated with Wensleydale share my pride in being part of something bigger; something that will make a difference to all our students' lives and set them on their own path to success irrespective of background or ability.

I hope this has provided you with some background and context – please visit the school website to find out even more about our wonderful school.

For the right candidate we do have an onsite bungalow that can be offered as accommodation as part of any relocation package at VERY affordable rent.
