

Teacher of Mathematics

Permanent, full time or part time considered

NOR: 600 (360 at Post-16)

Age range: 13-19 years

Start: September 2024

Salary: £30,000-£46,525 (dependent on qualifications and experience)

The Sheffield UTC Academy Trust provides a new and dynamic education. We opened our Sheffield City Centre site in September 2013 specialising in Engineering and Creative & Digital Media and then opened our second UTC on the exciting new Olympic Legacy Park in Sheffield in September 2016 offering opportunities for students in Health Science, Computing and Sports Science. UTC Derby Pride Park joined the Trust in December 2019 offering Engineering and Health & Life Sciences and in its recent OFSTED inspection in December 2023 was judged 'Good' with 'Outstanding' behaviour and attitudes. All 3 UTCs in the Trust are judged as 'Good' by Ofsted.

As a Trust we aim to deliver an outstanding educational experience grounded in real, relevant workplace practice. Partnerships with world-class companies, schools, colleges and universities give our students a unique start to their future careers. We provide training today for the jobs of tomorrow. Our cutting edge facilities and engagement with employers' / university partners provides an exciting environment in which to teach and develop professionally. Our Trust destinations are testament to our success with students progressing to Russell Group Universities, including Cambridge, and securing higher level apprenticeships and employment at companies such as Boeing, Toyota, Bauer Media, BP, Alstom, the NHS and The Royal Navy.

We are looking to recruit a suitably qualified teacher who can support the delivery of Mathematics, you will work alongside the staff team to further develop a centre of excellence focusing on Engineering & Manufacturing along with Health & Life Sciences. Under the direction of the Curriculum Director you will support the delivery of a range of qualifications. These include GCSE and A-Level Maths, Level 3 Core Maths and mathematical elements of the engineering curriculum.

You will be a highly skilled practitioner who understands the challenges of educating 13-19 year olds in an employer-led technology-rich environment. Effective partnership working is absolutely critical to the UTC's success. We also welcome applications from newly qualified teachers who have the skills and attributes to develop their expertise within our unique environment.

We are looking for engaging and inspirational individuals. Resilient, driven and focused who will continue to drive forward a pioneering institution.

Closing date: Midnight Sunday 3 March 2024

Interviews: Wednesday 13 March 2024

We are an employer who values equality and diversity and we are committed to safeguarding and promoting the welfare of children. Successful applicants will be required to have an enhanced DBS check and will be subject to safer recruiting policies and procedures.
