

Teacher of Mathematics

NOR: 600 (300 at Post-16)

Age range: 13-19 years

Start: September 2022 or January 2023

Salary: £25,714 - £41,604 dependent on qualifications and experience

UTC Sheffield Academy Trust provides a new and dynamic education. We opened our City Centre site in September 2013 specialising in Engineering and Creative & Digital Media and then opened our second UTC on the exciting new Olympic Legacy Park in Sheffield in September 2016 offering opportunities for students in Health Science, Computing and Sports Science. UTC Derby Pride Park joined the Trust in December 2019 offering Engineering and Health & Life Sciences.

We aim to deliver an outstanding educational experience grounded in real, relevant workplace practice. Partnerships with world-class companies, schools, colleges and universities give our students a unique start to their future careers. We provide training today for the jobs of tomorrow. Our cutting edge facilities and engagement with employers' / university partners provides an exciting environment in which to teach and develop professionally. Our destinations are testament to our success with students progressing to Russell Group Universities including Cambridge and securing higher level apprenticeships and employment at companies including Boeing, Toyota, Bauer Media, BP and the Royal Navy.

You will work alongside Principal Alex Reynolds and the UTC staff to further develop a centre of excellence focusing on Engineering & Manufacturing and Creative & Digital Media. Under the direction of the Curriculum Director for Mathematics you will have the opportunity to teach GCSE and A-Level Maths and may contribute to A-Level Further Maths, Level 3 Core Maths and mathematical elements of the engineering curriculum. The Maths department has strong links with the local Maths Hub and has the Teaching for Mastery principles at the core of its curriculum. We believe that every student can be a mathematician and this forms the key values of the department.

You will be a highly skilled practitioner who understands the challenges of educating 13-19 year olds in an employer led technology rich environment. Effective partnership working is absolutely critical to the UTC's success. We also welcome applications from newly qualified teachers who have the skills and attributes to develop their expertise within our unique environment.

We are looking for engaging and inspirational individuals. Resilient, driven and focused who will help establish a pioneering institution at the heart of the Sheffield City Region and its communities.

The UTC Sheffield Academy Trust is sponsored by Sheffield Hallam University, The Sheffield College and Sheffield Chamber of Commerce and Industry.

Closing date: Midnight Sunday 26 June 2022

Interviews: w/c 27 June or 4 July 2022

We are an employer who values equality and diversity and we are committed to safeguarding and promoting the welfare of children. Successful applicants will be required to have an enhanced DBS check and will be subject to safer recruiting procedures.
