

Weston Favell Academy

Booth Lane South, Northampton NN3 3EZ

Teacher of Maths

Ref:

MPR/UPR

Start date: **ASAP**

Closing date: 20th October 2024 at midnight

We are looking for a well-qualified, enthusiastic, dynamic and inspirational Teacher of Maths who has the highest expectations of themselves and our pupils. If you provide high quality teaching and have a natural passion for improving the life chances of our children then this could be the role for you.

About the Role

We are looking to recruit a teacher to engage and enthuse learners through a commitment to outstanding standards. As a Teacher of Maths, you will be expected to ensure, through effective teaching and learning, that all pupils are equipped to use and apply mathematics in other areas of the curriculum as well as within the subject itself. This role is suitable for either experienced professionals who wish to progress their career or for ECTs who want to begin their career in a learning rich environment.

About You

We are looking for someone who:

- is passionate about mathematics and about helping all pupils succeed despite their background
- has high professional standards
- is committed to raising the achievement of all learners by ensuring teaching across the curriculum is of the highest quality
- is able to make positive relationships with staff, pupils and parents alike
- is able to plan and deliver innovative and inspirational lessons that engage pupils
- has the ability to teach up to KS5

About Us

Weston Favell Academy is making substantial improvements in all areas and we are investing heavily in our staffing structure to continue this momentum. We are a supportive team, committed to ensuring that our learners fulfil their potential despite any barriers they may face. We are looking for equally passionate practitioners to join our team.

The academy, led by Todd Johnson, Principal, has a very vibrant, supportive and hardworking team, committed to promoting high achievement in education whilst ensuring that standards of behaviour and uniform are impeccable. Pupils are supported to not only achieve highly but also to ensure they are prepared for their future through a variety of enrichment opportunities.

Located on the outskirts of Northampton, we are situated in a great part of the country. Northampton has a £20billion economy and sits at the heart of one of four designated growth areas in England, with big plans for housing and the economy. With plenty of countryside on the doorstep, it's surprising that it's only an hour away from London.

In Return

Working for the GAT, you can be assured that you will be contributing to helping support our mission to enable every child to do their best. All our academies work collaboratively together to share best practice and are supported by the expertise within the central team to enable them to focus on teaching and learning. As a GAT employee, you will receive excellent opportunities for career progression and access to bespoke CPD from the Learning Alliance to enhance your professional growth.

Visits to our academy are warmly welcomed; please email wfa-recruitment@westonfavell.org.
