The post offers space and time for an outstanding individual to teach within the Maths Faculty, contribute to the development of schemes of learning within the subject and also to the wider student experience across the school.

I joined Whitstone School in January 2020 and have thoroughly enjoyed working with our students, staff, parents and governors to improve standards in all aspects of school life, develop teaching and learning and CPD as key areas of school life and forge new and exciting links with the wider community. It is clear that Whitstone School is a wonderful place to work and I am looking forward to seeing the school develop as our student numbers increase considerably over the coming years. Whitstone School is a fully inclusive, comprehensive school which serves the community of Shepton Mallet and surrounding areas. We are proud of our students and of the environment in which they learn, which challenges, supports and cares for them as we prepare them for the next stage of their education.

At Whitstone School, we are able to offer the successful candidate a wealth of career development opportunities, the chance to join a happy and motivated staff group and free access to our on-site Leisure Centre. I am committed to ensuring that professional development is at the heart of school life and that career development for all staff is highly valued. We have invested heavily in our leaders within school, including a recent Insight Profile assessment and subsequent training programme. All of our leaders are trained coaches and contribute to the development of teaching and learning within school.

The current global pandemic will mean that the interview process will be adapted, with the safety of all those involved in the process a priority. To apply, please submit a covering letter of no more than two sides of A4 setting out the skills and experience you would bring to this role and complete the application form. For further details about the school, please visit our website <http://www.whitstoneschool.org/>.
