## Teacher of MFL

This is an exciting time to be part of All Saints Academy, Plymouth. Recently, we have secured the school's first ever Ofsted 'Good' judgement, attracted record numbers of primary applications, and continue to improve our results year on year. We have also been recognised as having one of the highest staff satisfaction levels across our Trust.

We believe that languages should be taught to all pupils, regardless of their academic background. Languages help us to see and understand the world differently, bring cultures together, and push students to imagine their legacies going farther afield than ever before. The successful candidate will understand the barriers some students face studying a language and will be able to overcome these with a passion for the subject.

Candidates should be fully committed to our values of Love, Legacy, and Bravery and be willing to use these to underpin their practice. We ask all staff to share our belief in social justice and the transformative power of education.

Our school is part of the Ted Wragg Trust, an ambitious and inclusive Trust of schools whose mission is to transform lives and strengthen our communities to make the world a better place.

To succeed we believe that we must grow great leaders, have the highest standards and be relentlessly positive in our collaboration. We live by the values of being ambitious, selfless and collaborative.

The successful candidates will need to demonstrate good communication, inter-personal and organisational skills and should be able to use their initiative to respond to classroom situations.

If you are able to meet the requirements of this role, we would love to hear from you.

The Ted Wragg Trust is committed to safeguarding and promoting the welfare of children. All appointments will be subject to a number of safeguarding checks including an enhanced DBS check.

We are part of the Ted Wragg Trust, an **ambitious** and **inclusive** trust of schools **strengthening our communities** through **excellent education**.
