The Governing Board wishes to appoint an ambitious and high performing Teacher of MFL (Spanish) for our successful Creativity Faculty.

This is an excellent opportunity for an outstanding and ambitious Spanish teacher. The Creativity Faculty is a strong team of experienced teachers, who are united in their passionate desire to do the best by the students they teach, and to inspire a future generation. The successful candidate will be a passionate advocate for high quality learning and teaching; imaginative, dynamic and energetic. They will be an excellent communicator, committed to enhancing the life chances of our young people.

This is an exciting time to join Whitworth Community High School. At Easter 2023 we moved into our new school building which offers fantastic facilities, benefits from photovoltaic panels and a 'green roof' and is one of the first net carbon zero school building projects undertaken by the DfE in the pilot of their Rebuilding Schools Programme.

In March 2023 we were delighted that our Ofsted inspection team recognised that we continue to be a securely good school - a judgement about which we were entirely confident and proud.

We have a relentless drive to embed a culture of high aspirations and expectations throughout the school, and we offer a caring environment where students learn well, make very good progress, feel listened to and are safe. We are full and oversubscribed in each year group and parents/carers, staff and student voice is very positive. The Governing Board are knowledgeable and supportive and we are in a healthy financial position.

Students succeed academically and make strong progress at Whitworth Community High School.

The faculty has an excellent culture where resources are developed and shared collaboratively which both reduces workload and improves consistency for all students.

We are looking for a colleague who demonstrates:

- excellent teaching skills;
- the ability to inspire and enthuse students;
- practical strategies and an understanding of how students make progress;
- the ambition and drive to ensure all students achieve their potential.

We offer the right candidate :

- a small school with a strong reputation, a caring ethos, a culture of respect and a commitment to 'Climbing Higher'
- fantastic students who are proud of their school
- a strong leadership team who are committed to moving the school forward and to the professional development of our staff, and who are mindful of staff well being
- knowledgeable, forward looking and friendly colleagues who are ambitious for our school
