Dear Candidate,

Thank you for enquiring about this post. This brochure has been designed to give you, a potential applicant, essential information about our vacancy, school and trust, so you can decide if this will be the next step in your career.

“Wide Horizons, High Aspirations” is our school motto and this underpins our whole school philosophy. We are a school community which does not stand still. Whilst our expectations of academic performance are high, of equal importance are that students enjoy the experience of coming to Warlingham School and have opportunities which enable them to develop into young men and women who will contribute positively to society. Our students tell us they consider this a place where they are challenged by the work, where they are supported by the staff and fellow students and where achievement is part of the everyday vocabulary.

We have high expectations in terms of learning, behaviour and attendance which leads to excellent academic progress. We provide an environment that excites, motivates and challenges our students to place no ceiling on achievement and to develop an interest in the world around them. Our ambition is for students to leave Warlingham as successful, confident young people ready to face all of life’s challenges and make a positive contribution to society. We measure our success by meeting the needs of all our students in this truly comprehensive school and believe everyone has a role to play in achieving this aim.

If you decide this is not the school for you then we thank you for the interest you have shown; however, if this ethos aligns with yours, then I hope you will apply to join our team, support our drive to become outstanding and I look forward to receiving your application.

We hope that this pack provides sufficient information to encourage you to take your application to the next stage. Do telephone or email, if you wish to discuss any aspect of the post.

ABOUT WARLINGHAM SCHOOL & SIXTH FORM COLLEGE

Warlingham School & Sixth Form College is a fully comprehensive community-focussed, school, with a PAN of 240. The School provides a caring, supportive environment, where staff and students work with integrity and respect. The school places a high importance on its key values of Commitment, Courage and Kindness, which we strive to make a reality every day.

At Warlingham, we want our students to be safe and happy at school and as a result, enjoyment and engagement are important elements of life at our school. Our student leadership programmes help our students to develop the confidence, grit and resilience needed to be successful in later life. These qualities will help them to develop into well-rounded young people, ready to make a positive contribution to the local community and to wider society in general.

Students are encouraged to have high aspirations so that each can be the very best that they can be, whatever their starting point. Members of staff go the 'extra mile' for students and are dedicated to nurturing young people's talents and aspirations. We expect our students to work hard, behave respectfully, dress smartly and take pride in their achievements.

Our students are also encouraged to have wide horizons and to experience a broad range of opportunities and experiences that enable Warlingham students to grow into confident, articulate young adults who enjoy their time at school and leave with the skills, qualities and qualifications required to face the challenges of the future. Our thriving House system provides a sense of belonging and lots of healthy competition as well as a caring and supportive pastoral structure.

The Sixth Form College is home to around 200 happy and successful students and offers a wide range of courses, including both A Level and Vocational Courses. Our sixth form provision is under review; students currently select one of several enrichment courses, such as the Duke of Edinburgh Award Scheme or the Extended Project Qualification (EPQ).

Our strong pastoral system continues to support our college students and the personalised approach we offer helps them to achieve their goals in a secure and nurturing environment. Extra-curricular trips, whether a geological visit to Iceland or a trip to Auschwitz run by the Holocaust Educational Trust, all enrich and broaden horizons. Local community-based activities help to develop students' understanding of citizenship and commitment whilst further developing their employability skills.

With the opportunities provided and the quality of the teaching and learning support, it is no surprise that a significant percentage of students go on to be successful at Russell Group universities such as Cambridge, Kings College and Imperial College.

Students

Many of our students live in Surrey and others come from the southern part of the London Borough of Croydon; most of the students live within a three-mile radius of the school. Our students represent a broad socioeconomic mix.

There are currently 1,411 students on roll including the Sixth Form College. Although many students stay on for Key Stage 5; we would like to encourage a higher proportion to stay with us. The School is oversubscribed for the Year 7 intake each September.

Facilities

Located south of Warlingham, the purpose-built school sits on an extensive, 20 acre site, with good commuter access by road and two stations within half a mile. The buildings are well maintained, some recently modernised and refurbished and the facilities include extensive adjacent playing fields, a dedicated sixth form block, a fitness suite and a 25-metre swimming pool.

The School has made significant investments in technology, with several computer suites and two state-of-the art scientific laboratories.

Staff

The quality of teaching is clearly central to the success of any school. Teachers are the greatest resource a school has. We employ dedicated individuals with positive attitudes and high standards. All our staff go the 'extra mile' for students and take time to nurture young people's talents and aspirations.

Learning takes place in a purposeful and well-disciplined environment, in which students are encouraged to be actively involved in their learning through investigation, problem-solving, discussion, practical work and research. Ofsted inspectors have praised the quality of teaching throughout the school, and the exemplary behaviour of our students. Information about our latest Ofsted report is available on our website:

There is a healthy balance between established and newly qualified teachers, and the school is committed to ensuring access to a wide range of CPD opportunities. Warlingham School & Sixth Form College offers teacher training through our School Direct courses, which are designed as school-centred initial teacher training routes and are a popular choice for those who hope to secure a role in the network of schools where they train. The School Direct Programme is provided through the South East Learning Alliance, of which we are a member school.

The teaching staff are well supported by the senior leadership team and a range of experienced teaching assistants and learning mentors who help support additional needs. All support and administrative staff share the same commitment to our caring and respectful school ethos. In addition, we work closely with the MAT team who provide a range of support services for the schools.

Tandridge Learning Trust

Tandridge Learning Trust was formed in 2017 by five Tandridge schools. It is a cross-phase Multi-Academy Trust (MAT) comprising one secondary (Warlingham School & Sixth Form College), and four primary schools (Bletchingley Village Primary School, Hamsey Green Primary School, Tatsfield Primary School and Woodlea Primary School).

Tandridge Learning Trust recognises and respects the unique culture and ethos of each individual school and has high aspirations for every child and every school; sharing best practice and inter-school collaboration will improve teaching, learning and outcomes for children.

The Trust provides robust challenge combined with relevant support for each school within the Trust to ensure that every child, no matter their ability or circumstances, achieves their best possible outcomes. It also provides wider opportunities for students and staff by broadening the curriculum offer, sharing specialist staff and improving professional development. This broader curriculum and opportunities for development and movement within the Trust creates an attractive working environment and aids in staff recruitment and retention.

The structure also provides more possibilities for robust succession planning and encourages the development of school leaders.

Working together as a group of similarly minded schools creates more opportunities for economies of scale, eventual efficiencies in the provision of centralised services and access to additional funding.

By operating as a cross-phase Multi-Academy Trust, the schools can improve the transition between primary and secondary phases and thus raise learning outcomes.

Tandridge Learning Trust is governed by a Trust Board which is responsible for the strategic decision-making and financial prudence of the Trust.
