What is good about our school?

Every morning when I walk through the school gates I know that no matter what lessons I have that day there is going to be a moment where I laugh. It could come from sitting in the canteen and laughing with friends or laughing at something in lessons. On the days when the laughter feels like it is going to be a little more out of reach, I know instead that when I do walk through the doors there are people that I can talk to.

Because of teachers at this school, I have been able to fall in love with lessons that I maybe haven't liked previously. This has been down to the way it's taught and the way that teachers have been able to make their lessons ones that I've looked forward to when I've seen it on my timetable.

Why should you work here?

I know that in years to come that I will look fondly back on memories at Sunbury Manor. The majority of which are founded on the teachers. The teachers here have shaped me into the person who I am now – each one helping me to discover my passions in life. I know that from a student's perspective that we wouldn't be able to be the person who we are without the teachers here at Sunbury Manor, and not just because of their lessons and the subjects that they teach.

You should become a teacher at this school to help more people create memories here that are founded upon you. Ones that in ten or twenty-years' time you will be the teacher who they remember clear as day. And the lessons that you shared.
