About our School

The Wellington Academy is an ambitious, growing, and inclusive 11-18 school based on the edge of the beautiful Salisbury Plain.

It serves the young people of Tidworth and Ludgershall as well as the surrounding villages. The school is graded as **'Good'** by Ofsted (March 2016) and in our recent Challenge Partners Review the school was graded as 'Effective' in all areas. Our vision is for all our students to become **'Inquisitive, Ambitious, and Independent'** young people.

The school was opened in 2009 and as you will read later we are fortunate to enjoy outstanding facilities. We currently have nearly 1100 students on roll and this includes a growing Sixth Form. We are one of the few schools in the country to offer state boarding in our purpose built Boarding house (our boarding provision is graded Outstanding by Ofsted).

The school is a proud member of the Royal Wootton Bassett Academy Trust.

We are located within commuting distance of the towns and cities of Salisbury, Andover, Marlborough, Devizes, Swindon, and Southampton. Alongside these, local villages such as Bedwyn and Pewsey also enjoy direct rail links with London.

We are proud to serve our local communities, and with Tidworth serving as a 'super garrison' for the British army a number of our students have at least one parent either actively serving in the armed forces, or a family history of service.

The growth of Tidworth in recent years has supported the growth of our school and successful applicants will be joining The Wellington Academy at an exciting time in its development.

Our Facilities

We are fortunate to enjoy outstanding and state of the art facilities in modern purpose built buildings. You have to visit our school to truly appreciate how special they are. Alongside fully equipped classrooms catering for all subject specialisms including Art, Science, and Technology our facilities include a 300 seat Lecture Theatre, a large Sports Centre, a Boarding House, and a professional catering kitchen and hair and beauty salon. In 2019 we opened the new 'Cowley Block' which provided us with additional classrooms to meet our growing student numbers.

Our Curriculum

Our knowledge rich and diverse curriculum provides all students with a deep understanding of a wide range of disciplines. We challenge students and equip them with the skills needed to engage with all subjects including, literature, mathematics, the sciences, humanities, and the Arts. We teach our students to be inquisitive, to ask big questions, to challenge ideas and solve problems.

Our Values (PSHE) curriculum taught in parallel to the academic, enables our students to become confident and independent citizens. We are ambitious for our students and encourage them to aim high, whilst taking advantage of as many opportunities and experiences as possible.

Our Commitment to your Professional Development

We are committed to the professional development of all of our staff. We place a high priority on ensuring that our professional development is tailored and appropriate for staff at all career stages. Our Early Career Teachers have access to the Ambition training programme alongside weekly in house professional development sessions led by specialists in different areas.

All of our second year teachers receive one to one coaching and take part in the Olevi Creative Teacher Programme. As teachers move through their career they are able to access programmes such as the Outstanding Teacher Programme, the Outstanding Leadership Programme, and the Outstanding Facilitator Programme alongside a full range of NPQ's.

We actively encourage staff to seek out further valuable developmental opportunities and we have a full and varied in-school professional development calendar including termly Twilight sessions, bespoke Learning Forums, and weekly CPD briefings. If you work at The Wellington Academy we are committed to supporting your growth as an educator.

Boarding

We are one of the few state schools in the country to offer boarding. Our boarding house can accommodate 70 students. In its most recent inspection (2018) under the boarding Ofsted framework it was graded 'Outstanding'. Students benefit from a modern and state of the art boarding house and a committed and dedicated staff team. Should you work at the Wellington Academy opportunities may arise to work within the boarding team if you wish, and a small number of staff choose to live in boarding during the working week.

Additional Benefits

Alongside all of the aforementioned opportunities, there are further benefits to working at The Wellington Academy:

- We are a proud member of the Royal Wootton Bassett Academy Trust (RWBAT) and this allows for the opportunity to work with fellow professionals from across a range of schools.
- We have an extensive extra-curricular programme allowing you to explore our students interests and talents beyond the classroom, and we actively encourage extra curricular trips and visits for our students.

Testimonials

'Having recently joined the Wellington Academy as a teacher of Performing Arts I have been welcomed in with open arms.

As an Early Career Teacher just starting my journey into the career of teaching I have been provided with a personal mentor who I can meet with weekly and draw on advice and support throughout the week as needed in addition to being invited to attend weekly ECT development sessions with the Deputy Head to continue to fine tune and hone my teaching skills.

With weekly CPD briefings and the school being generous enough to fund further CPD training courses for me I have had no shortage of training or support from those in my department and in the senior leadership team.

The Performing Arts and PE departments have been very welcoming to me and I am looking forward to continuing my teaching journey here at the Wellington Academy.'

Eliza, ECT

'The values and ethos here at The Wellington Academy reflect why I got in to teaching. We have a community feel here at Wellington and without exception, staff consistently support students, putting them at the heart of whatever they do.

Teachers are passionate about their subjects, collaborating together as a team to ensure students study engaging curriculum's and always receive great teaching. My colleagues inspire students to be ambitious for themselves and their futures. We are also ambitious for each other.

I have had lots of opportunities since I joined the academy, with a variety of CPD training sessions, delivering CPD to all staff which personally developed me as well as the opportunity to complete an NPQ course.'
