Greenshaw Learning Trust – About us

The Greenshaw Learning Trust (GLT) provides an effective structure for schools to achieve real benefits from school to-school collaboration, and a culture of trust and openness that promotes honest and transparent dialogue and mutual support.

At the heart of the Trust is proven school improvement advice and guidance – with regular meetings with school leaders, input from specialist primary and secondary experts and staff training and development in all our schools.

All schools in the Trust receive expert advice and fast-response support on budget planning and monitoring, payroll, human resources, employment and legal advice, purchasing, capital projects, admissions, policy development and audit. Our catering team provides advice and guidance on meeting the statutory responsibilities for food standards, healthy eating and safety, and helps our schools achieve higher take-up of meals and significant cost savings through quality improvement and the central procurement of food supplies.

Each school's local governing body receives support and advice to ensure that they can contribute effectively to the governance and leadership of their school, including tailored guidance to chairs and clerks and governor training.

The Greenshaw Learning Trust is committed to meeting the needs of every student – our schools offer a wide range of special needs provision and across the Trust we have extensive expertise in behaviour, attendance, family liaison and therapies to support our students and their teachers.

The Greenshaw Learning Trust Mission Statement

- *We are ambitious for our schools and their students. We believe that there is no ceiling on what can be achieved by anyone, regardless of their circumstances or background.*
- *We are committed to providing a supportive and inclusive learning environment, giving every young person the opportunity to fulfil their potential now, and in the future.*
- *We seek to realise the power of individuals and organisations working together in collaboration whilst retaining their individuality, and we recognise that we can always improve.*

Greenshaw Learning Trust Employee Benefits

The Greenshaw Learning Trust recognises that our employees are our most important asset and we are aware that the quality and commitment of our employees is critical to our success. We offer all our employees the following staff benefits:

- Excellent CPD opportunities and career progression.
- Employer Contributions to Teachers Pension Scheme.
- Cycle to work scheme.
- Gym membership scheme.
- Employee Assistance Programme.
- Eye Care Voucher Scheme

Department and Subject Information

Our MFL Department

Context and Background:

We are a proud member of the Greenshaw Learning Trust, a 'family' of like-minded schools, that collaborate to provide mutual support, share their good practice and learn from each other, whilst

retaining and developing their own distinctive character. Our outstanding GCSE results over the past three years places Five Acres High School in the top 5% of schools nationally in terms of progress and we continue to be driven by our aim to ensure that our students will have a better chance of success than if they went anywhere else.

Our school maintains high expectations, with a strong focus on staff development and strong behavioural expectations and routines embedded within the school. This allows teachers to focus on planning and delivering excellent lessons which enable all students to make progress and feel successful. Our school is focused on enabling students to develop into well-rounded young adults who are instilled with the school's core values of ambition, determination, respect, creativity and confidence. We are able to achieve this through our Character Education programme as well as our embedded practices such as our reading programme and knowledge rich curriculum.

The Department:

The MFL department at Five Acres High School is made up of four dynamic and passionate teachers, including an Assistant Headteacher, Lead Practitioner, Head of MFL, and MFL Teacher. We teach French and Spanish from Y7-11. The team is dynamic, enthusiastic and supportive and we consistently search for new and innovative ways to improve our practice and provide excellence in our teaching. We are dedicated to instilling a love of language, respect for culture and confidence among our students.

MFL at Five Acres is fortunate to be supported by a whole-school approach towards raising cultural capital, and the Languages department is seen to play a valuable role in this. Our goal is to ensure students are able to enjoy languages, which starts with feeling successful in their experience of language learning. This is enabled through an accessible yet challenging curriculum, as well as many extra-curricular enrichment opportunities we organise throughout the year. We aim to provide students with the knowledge, skills and confidence necessary to take languages with them in their futures, thus opening up opportunities for work and travel and widening their personal and professional prospects.

Resources:

Lessons and resources are planned centrally by GLT. As a team of passionate and committed MFL teachers we work reflectively and collaboratively to plan and improve the curriculum and shared resources. Our lessons incorporate up to date MFL pedagogical research, including methods proposed by Gianfranco Conti. In each lesson at KS3, language is introduced using sentence builders through teacher-led listening and translation activities to allow for 'pushed output'; where teachers have total control over student output to ensure that students have ample opportunity to practise and recycle target chunks and structures. We use mini-whiteboards as an embedded curriculum resource to assess student comprehension and retrieval for listening

activities. We have moved away from textbooks at KS3, and our resources and assessments are bespoke and updated so that they are always relevant and fit for purpose.

All teachers are also supported with specifically curated wider reading and CPD material for every unit to develop ourselves as masters of our subject. This is supported by a wider CPD program directed by the Teaching and Learning Lead and the Developmental Drop In (DDI) process which provides every member of staff across the school with an informal lesson drop in every fortnight which highlights strengths and provides staff with an actionable next step to drive their practice on even further.

Curriculum:

Students begin their language learning experience in Year 7 where they concentrate on one language to enable an in-depth knowledge of the structure of the language and a wide vocabulary, in order to achieve subject mastery. The MFL curriculum starts at the beginning in KS3 with in-depth teaching of the basic components to ensure that all students are able to access the curriculum. Students at Five Acres learn to use three, time frames and complex structures from the very beginning. Students learn content through deliberate practice, chunking and Conti-style 'input flooding' of key structures to create automaticity in students' language abilities.

We also place a strong emphasis on the importance of phonics which is reflected in the curriculum. Every module from Year 7 to Year 11 begins with students explicitly learning and recapping French and Spanish phonics in order to develop and improve their pronunciation and build confidence and oracy in MFL.

Our curriculum enables our students to be fully prepared to undertake a GCSE in the language and creates enthusiastic, passionate language learners who feel confident in their linguistic abilities.

Students at Five Acres follow the Edexcel GCSE in KS4 for MFL.
