

**Teacher of Modern Foreign Languages (French), full time
Commencing September 2021**

We are seeking to appoint an outstanding, enthusiastic and inspiring MFL teacher to bring their passion for the subject into the classroom.

If you are looking for a new teaching opportunity or if you have recently completed or are scheduled to complete your teacher training, we would welcome an application from you.

The post is based at Cranbrook Education Campus, a new all through education establishment based in East Devon. You would be joining a proud, motivated and committed team who are focused on transforming pupil lives through opportunity, education and personal development.

We want our pupils to have every opportunity by having the highest aspirations to support them in achieving outstanding outcomes to enable them to move on to the next phase of their learning. We do this by providing a broad range of education; by being unapologetically academic in its teaching but by also fostering a love of reading and encouraging pupils to become part of their wider school community. Many of our pupils contribute to music, drama or sporting activities or performances and we also encourage kindness, respect for others, resilience and teamwork. All skills that will enable them to succeed in their studies, our community and the wider world.

If successful, you will be an employee of the Ted Wragg Multi Academy Trust, a charitable foundation trust, which works with schools in Exeter and the local community to raise the aspirations of young people and enable them to become fulfilled, confident and motivated citizens, able to contribute actively to a democratic society. All students within the Ted Wragg Trust, regardless of social or cultural background, are motivated to succeed and make outstanding progress because their needs are met through creative, relevant and innovative provision.

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. An enhanced DBS check and Disclosure by Association will be required for all vacancies.

An application form is available from the Campus website: www.cranbrookeducationcampus.org.uk

The closing date is 9.00am, Monday 15th March 2021. Interviews to take place the week beginning 22nd March 2021.

Completed applications should be sent to Clare Sellick, Business Support Officer, Cranbrook Education Campus, Tillhouse Road, Cranbrook, EX5 7EE, or e-mailed to recruitment@cranbrookeducationcampus.org.uk
