About Our School

St. Peter's is a successful and oversubscribed 11-16 Catholic Secondary School of approximately 1040 pupils. We primarily serve the children of our partner parishes across a wide area in Wigan, Lancashire and St. Helens. We pride ourselves on living out our mission statement to be a 'Learning and serving community enriched through friendship and Christian faith.' We are committed to both high standards of learning and personal conduct and to being a warm inclusive school where every child can succeed.

The vast majority of our pupils achieve expected or above expected standards at the end of KS2 and this leads to challenging targets at GCSE level. Through our clear expectations and nurturing environment, we create a calm, focused learning environment where teachers can teach and the needs of all of our pupils can be met.

The curriculum offer at St. Peter's is a wide and varied one with a very strong academic core and a diverse offer of Arts, Technical and practical courses. I would encourage you to explore this offer on the [school website](#).

Our staff team is a strong mix of very experienced and more recently qualified colleagues and they are very well supported at all levels by our Professional Development Programme. Staff wellbeing is at the heart of our philosophy and we have embraced a number of strategies to promote this including staff wellbeing cafes, wellbeing buddies and the opportunity to work from home where practicable. Staff Development is supported through an ambitious CPD offer and the St. Peter's 'Talent Ladder' of development opportunities.

Our Catholic ethos is at the centre of our school. We welcome colleagues from all faith backgrounds and none, who are happy to support and promote this ethos. Our pastoral system is designed to support the development of each young person to become the unique human being they are called to be. Our pupils are encouraged to be their true authentic selves and to respect difference of all kinds. Pupils at St. Peter's show a deep level of care and respect for each other and for the adults who support them.

Working at St. Peter's is challenging because we want to provide the very best for our young people, and it is rewarding because this is undertaken as part of a supportive and caring team who help each other to achieve this.

Working at St Peter's

We strongly believe that St Peter's is a special place to work. However, rather than explain ourselves as to why we feel this is the case we have included comments taken from a variety of people;

Staff who have left us in recent years via our exit questionnaires.

A range of our current staff in different roles throughout school employed within the last three years.

Current staff who have been at the school for longer than 5 years

Supply staff via agencies

Comments taken from Staff Exit Questionnaires

"Anyone who has the opportunity to work at St Peter's in my opinion is extremely privileged. It is the kind of workplace that has a noticeable impact on your life in terms of your work-life balance, wellbeing, inner sense of positivity, and the desire to be the best you can be at whatever you are there to do. Working at St Peter's makes you happier. There is a sense of belonging and the staff and students carry this with them so much so that it is impossible not to be blown away by it. Everyone works together and has the same determination to do the best for the students in all aspects of their school life. I am so grateful I had this opportunity and wish all staff and students every success in the future".

"The overarching vision of trying to ensure a community where students are enriched through faith and friendship is something that is evident from the top down at St Peters. It is not just a mission statement ,it is a way of life for the staff and students. There is an overwhelming feeling of being part of something amazing and the students benefit hugely from this and the way the staff convey it. The students are encouraged to think about themselves beyond the day to day and envisage their futures and what they can achieve if they put their minds to it and reach for their full potential. They get the absolute best education from teachers, whilst developing themselves as individuals who are grounded in strong moral values, kindness, and love for one another"

"SLT have fostered a culture whereby they are at the heart of what is really going to make a difference. From what I have seen they have open and honest conversations with staff about how school can develop, and they listen to what the staff and students have to say. Therefore, every action is linked to an outcome that helps both the school and students develop".

Working at St Peter's

We asked current staff who had recently joined us what do they enjoy about St Peter's and what if anything makes us different from other schools that they have worked in?

From the moment I came for interview I have been made to feel very welcome at St Peter's. The atmosphere is so supportive and friendly from both staff and students. I know should I ever have any issues there are countless members of staff I could turn to for help and advice. I love that I have the opportunity and support to develop my skills further both in and out of the classroom.

(Main Scale Teacher)

I joined the teaching staff at St Peters in September 2019, and I have never looked back. I worked at my previous school for nearly 10 years and, understandably, it was a very difficult decision to leave, but absolutely the right one for my career. St Peter's has very high expectations of both students and staff and this enables optimal learning to occur. Our students feel very safe and secure, with respect being a quality that is highly promoted and a fundamental aspect of our Catholic community. There is a clear sense of purpose and the school nurtures this quality in our students. I love the sense of direction and determination our students and staff have to do well for themselves but also a wish to see their peers do well. The students and parents are invested in learning, the school has strong Christian values and we listen to each other's point of view intently. The SLT corridor is always open and I have had plenty of opportunities to improve my own professional development. I have been involved in the 'Promoting Excellence Middle Leadership' course, which has enabled me to reflect on my own leadership qualities.

It is a great pleasure to be involved in such an encouraging and welcoming environment.

Extra-Curricular Activities

The Music Department is a crucial element of Collective Worship within school and collaborates with other Departments and the school Chaplain to produce celebrations and Masses throughout the year. We are closely linked with the Drama Department and collaborate on many productions and performance evenings. Singing is an essential element of accessible music education and we wish to continue to develop it through our curriculum and extra-curricular opportunities, such as Singing Club.

In addition to this, the Department is dedicated to providing memorable opportunities and experiences for both musicians and non-musicians through lunchtime and after school activities.
