Central Bedfordshire	Central Bedfordshire Council is committed to safeguarding and promoting the welfare of children,					
young people and vulnerable adults and expects all employees, volunteers and contractors to share this commitment. For roles working with children and / or vulnerable adults we will take up references prior to interview. If you do not wish us to take up a reference from your current employer please provide a third referee so that we still have two references prior to the interview.						
Satisfactory references must be obtained before any formal offer can be confirmed. If you are applying for a role working with children and/or adults at risk and you are not currently working with these groups but have done so in the past, you must nominate a referee from an organisation where you were employed to work with children or vulnerable adults. The referees will be asked if you have any live disciplinary offences and also about any "time expired" disciplinary offences relating to children. In addition, they will be asked if you have been subject to any child protection or vulnerable adult protection concerns, and the outcome of any such enquiry or disciplinary procedure.						
Central Bedfordshire Council reserves the right to request a reference from any organisation with which you have been associated.
