Belvidere School serves the local community on the East side of Shrewsbury, County Town of Shropshire. We have a truly comprehensive intake, and almost all of our students walk to school. There are approximately 830 students on roll.

Belvidere School is situated in the historic town of Shrewsbury, in the beautiful county of Shropshire, a short distance from the Welsh border, but with excellent motorway and rail links to the West Midlands and beyond.

We are very much a school of choice with local parents, and the school has been oversubscribed for many years.

“Sincere thanks for all that the school and individual people have done to make both my daughters' school lives mostly joyful, eternally memorable and shaping both their minds and futures in ways we can all only begin to guess at, especially this year with respect for all that you have done for them. Thank you, thank you, thank you.” Parent 2020

The behaviour and attitudes to learning of our students are two things of which we are very proud. Visitors to Belvidere School always comment on the warm, positive, friendly welcome, and the calm purposeful working atmosphere in the school. We believe this is essential in ensuring our students make the excellent progress that they achieve.

We have a clear commitment to the continuing professional development of all staff.

Throughout the year, teaching staff are invited to select from a variety of CPD sessions, closely linked with our Appraisal procedures, and the requests of individuals. This enables colleagues from different subject areas to work closely together on areas of identified need. We recognise that we have a range of experience and expertise within the staff and therefore the sessions are delivered by a variety of different people, sharing good practice throughout the school.

We are very proud of our school, and hope you will feel inspired to want to join our success story. We also have the exciting prospect of a completely new school building in the near future .

“Thank you for your support as a school. I know my children are in a good place in Belvidere and both doing well and that you are working hard as a school to meet all the year groups provision academically and pastorally. Well done to your staff for their hard work and dedication.”

Music at Belvidere

At Belvidere we are constantly striving to achieve the very best for all our students.

We have specialist music accommodation, with a teaching space and practice room available to students. Within the next two years, we anticipate moving into a brand new school building, with even more specialist accommodation for the subject area. This will consist of a 62m² music classroom, two 8m² practice rooms and an extensive 17m² group practice room. This is a very exciting prospect for the next phase in the development of music at Belvidere.

At KS3, students are taught in groups of around 25-28 and all students study music, covering a variety of units including film music, the orchestra, fusion music, as well as regular performances. We are very keen to see our students develop and grow their love of music across the key stage through inspirational and engaging teaching of the music curriculum.

At KS4 we currently offer the BTEC Tech Award in Music Performance within our suite of option subjects. We have also successfully offered GCSE Music in the past.

School productions are widely supported by our students, with music playing an important role within them. Concerts and talent shows also regularly feature as part of our wide range of extra-curricular activities.

Alongside our timetabled lessons, we are supported by a number of peripatetic music teachers and are able to offer music lessons to students who wish to further develop their musical talents.
