Birkdale
High
School

Aspire - Thrive - Succeed

INFORMATION PACK - GENERAL INFORMATION.

Birkdale High School is a successful, oversubscribed 11- 16 all-boys High School. There are currently 860 pupils on roll. The school is situated in Southport and is very accessible from Liverpool, Preston and West Lancashire.

We are specialists in the education of boys and firmly believe that this gives us the opportunity to create a unique environment that will enable all our boys to develop their full potential both academically and personally, free from many of the gender based prejudices that so often put pressure on young men. In an all-boys setting, they can mature at their own pace, supported and challenged by staff who are experts in teaching boys, and surrounded by peers to whom they can closely relate.

We are proud of our academic achievements and the examinations success of our boys over the years. These achievements would not be possible without our talented and dedicated staff, who work tirelessly to engage and challenge each and every pupil, or without the hard work of the boys and the support of their parents and carers.

We also have a sporting record that is second to none amongst the local schools, whether on the track, the field or the court. We regularly top the local league tables and enjoy success at regional and national level too.

We are, however, most proud of our pupils themselves and the ethos they embody: Aspire, Thrive, Succeed. I hope that as you browse through this welcome pack you start to get an idea of the many different ways in which our pupils exemplify this motto: through our pupil leadership team, the school council, peer mentors, sports leaders, charity fundraisers and countless other examples.

We are a school for all boys, regardless of their backgrounds, abilities or interests. There are many different ways to be a boy and we value and celebrate every one of them, so we can help each pupil to succeed and become the young man they aspire to be.

Values and Ethos

Our vision is driven by the strong moral imperative that it is our mission to provide all our boys with a first class education, outstanding outcomes and better life chances. We seek to challenge stereotypes, we are ambitious for every boy we teach and we want to see a society that benefits from the contributions of our well-educated, well-rounded and empowered young men.

We believe that every child, regardless of their background, should be able to fulfil their academic potential and go on to thrive amongst the demands and expectations of life in modern Britain and beyond. The school's motto is **“Aspire – Thrive – Succeed”** and underpins its ethos and approach.

We aim to engage, support, stretch and challenge all boys by providing them with a range of exciting opportunities; a varied and purposeful curriculum and a strong set of core values, demanding of all its pupils the highest standards in all they undertake whilst supporting them in the fulfilment of their personal and academic potential.

We strive to be an inclusive school, an outward facing centre of academic, professional and personal achievement, prepared to lead, learn from and collaborate with all available partners in the pursuit of excellence for our pupils and staff.

CREATIVE DEPARTMENT

The Creative department at Birkdale High School believe that all children should be entitled to experience a wide range of creative opportunities, to develop their creativity and ideas and increase proficiency in their execution. As a department we must nurture all students' creative talents and seek opportunities for them to develop as individuals and achieve their maximum potential; regardless of their starting points. Alongside literacy and numeracy, the skills of creativity and performance which are intrinsic to our subjects are essential lifelong skills. The Creative industry is fast developing and creative people are highly sought after in the world of work, it is our job at Birkdale not only to begin to prepare and shape students in readiness for these many opportunities, but also to support them in becoming well rounded and confident human beings.

Across the Creative department within the three disciplines of Art, Music and Drama, students will have the opportunities to develop many skills, working with a wide range of materials, styles and techniques in Art, different instruments and musical styles in Music and various performance styles and technical areas in Drama. The curriculum at Foundation stage provides the building blocks for students who then choose to opt for our subjects at Examination stage. The Foundation schemes of work are purposely designed to provide the students with a wide variety of skills, techniques and experiences across the three disciplines. Our schemes of work are developed to ensure that all students are taken through step by step instructions to enable them to develop their own work and skills into successful and individual final pieces of work in Art, or compositions and opportunities for performance in Music and Drama. These performance and compositional skills are not only vital aspects of the Music and Drama curriculum, but also help to provide students with essential life skills and build self esteem.

MUSIC

This is an exciting opportunity for a passionate, highly skilled and dedicated music teacher to take our music department to the next level in terms of pupil engagement, enjoyment and the fostering of creativity and musical expertise.

The music department has very recently been upgraded with a new classroom layout, 15 high spec computers and audio interfaces with Cubase Essentials and Sibelius Ultimate installed, a recording studio equipped with several condenser mics, mixing desk and Cubase Artist 12, a full set of steel pans and 30 12" djembes.

Our curriculum is mapped against the model music curriculum to ensure an exciting and rewarding learning programme and we have sustainable and thriving numbers at GCSE. At GCSE, we currently follow the AQA syllabus but we are always aware of choosing the correct pathway for the pupils who opt for the subject. We are seeking someone who can tap into the interests of the boys in all areas of music, including music technology, as well as deliver excellent lessons that equip the pupils with essential musical knowledge.

A commitment to extracurricular activity is vital as we are determined to maximise the performance opportunities available to our pupils. Currently, we have an established jazz band, vocal group, rock group and tech group. We are keen to continue to develop links with other local secondary and primary schools and we work closely with SKY music hub who provide our peripatetic lessons in guitar, woodwind, drums and piano.

This is an ideal position for a well established and experienced music teacher or an early career teacher that has the drive and passion to fully absorb themselves in the department. The successful candidate should also be able to inspire pupils through their own musical expertise.

It was a pleasure to be shown around your high school today. We were very impressed firstly by Mr Bourgade taking the time to show us around and making our son feel so welcomed and calm. The school has a wonderful calm and caring feel and we were so happy with the subjects on offer, the hub, staffing and how well the school has adjusted during covid. It was a big step bringing our son today and he came away so happy about Birksdale High and not at all anxious. He skipped into primary telling his teacher all about his amazing time at Birksdale High.
