We are looking to appoint an enthusiastic and inspirational Teacher of Music to join our successful Performing Arts Department. The successful candidate will demonstrate a passion for the subject and will strive to continually improve standards within the Department. This post would suit both experienced and newly qualified teachers.

The Performing Arts department at Brookfield Community School is thriving with regular performances and productions throughout the year; music is at the core of these events. We have a dedicated student choir, performance band, woodwind group and guitar club with a fantastic opportunity for the right candidate to grow our extra-curricular provision. The music department has a dedicated practical classroom with a suite of rehearsal spaces along with an ICT Sibelius classroom. As part of the Redhill Academy Trust we can access a range of resources and CPD to enhance your specialism and work with other specialists across Derbyshire and Nottingham; music teachers from across the Trust support each other with moderation, standardisation and assessment. We have a dedicated team of peripatetic staff who work closely with our music department to support events and GCSE practical work.

This truly is a fantastic opportunity to work within a high performing team of staff along with talented musicians as part of a successful department.

Brookfield Community School is a large 11-18 school with 1080 students on roll situated on the western edge of Chesterfield and next to the Peak District National Park. We are part of Redhill Academy Trust. The Academy is also a member of [Redhill College of Leadership and Development](#) and as such there are excellent CPD opportunities and a chance to work alongside colleagues from other high-performing schools in the region. The Trust also leads the regional [Teaching School Hub](#) delivering local teacher training and the National Professional Qualifications for teachers.
