HEADTEACHER'S LETTER

Dear Applicant

Thank you for your interest in applying for this role at Burnham Grammar School. I do hope that the information attached encourages and inspires you to make a formal application for this post.

Our diverse community of staff, students and parents believe that this is a truly unique school. Our students are bright and eager to do well. They are hardworking, but also full of personality and a joy to teach, reflecting the diversity of their backgrounds and cultures. They contribute fully to school life, are proud of the part that they play and continue to surprise me on a daily basis with their acts of kindness and their generosity of spirit. We frequently receive comments from the local community about the fantastic contribution that our students make and visitors to our school are always quick to compliment us on our caring and inclusive ethos. We have continued to build upon this community atmosphere, which was noted by Ofsted in March 2017:

“The learning atmosphere is very positive and pupils are confident, self-motivated, keen to learn and not afraid to make mistakes. They exemplify the school’s motto of ‘Embracing Challenge’ ”

The staff are a uniquely close-knit, supportive and considerate team and the caring ethos makes this a rewarding place to work and develop. I was pleased that Ofsted recognised that “The headteacher’s commitment to involving staff at all levels in the school’s development is nurturing a loyal and dedicated staff.” Staff opinion and involvement is highly valued and if appointed you will find that you are fully supported in successfully fulfilling your role and gain experience to help your career progression through personalised and targeted professional development. The involvement of the staff in the running of the school and in the development of key policies, and our efforts to support a work-life balance, have been reflected in us retaining the prestigious Investors in People Gold Award in 2021. The successful candidate will play an active part in the further development of both learning and teaching and other aspects of school life.

You will see from our last Ofsted inspection of February 2017 that we were judged at the time to be a Good school ([Ofsted Inspection February 2017](#)). Whilst our community was pleased that Ofsted recognised the improvements that we had made in all areas in the previous five years, they were also unanimously resolute in continuing on the journey of improvement. Since this time the standard of teaching and learning has improved even further. Through our tailored CPD programmes we support many teachers on the difficult transition from good to consistent and sustainable outstanding practice. This has increased the quality of learning, which is also reflected in our significantly positive progress measures at both GCSE and A level . We are now entering an exciting stage in the school’s development with a unwavering determination to be rightfully recognised as an Outstanding school and a national beacon of best practice that provides inspirational learning experiences to every student every day , both inside and outside of the classroom.

In June 2017 Burnham Grammar School created a multi-academy trust called the Beeches Learning and Development Trust in which it is the lead school and currently comprises Burnham Grammar school and Dorney School, a primary which is sponsored by the trust. In October 2021 we will move into our brand new school which will provide staff and students with world class facilities to inspire and support their learning and ambitions.

Not every candidate will be suited to the ethos of the Burnham Grammar learning community or able to fully contribute to our journey to be recognized as an exceptional school leading the development of practice nationally . Candidates for this post will already be exceptional and reflective practitioners or possess the qualities and desire to become exceptional.

HEADTEACHER'S LETTER

We are, of course, proud of our examination results but students' education at Burnham Grammar goes far beyond the academic. The exceptional and diverse range of extra-curricular opportunities and activities inspires and develops students' characters and resilience and exposes them to a range of unique experiences and challenges. We are passionate about the wider development of each individual student to ensure that they positively contribute to their communities now and in the future. This outstanding practice is reflected in us achieving a number of national awards such as the Music Mark Award, Gold Kitemark for Sport, the International School Award and winning the Stonewall School Award.

We welcome applications from the right candidates regardless of age, disability, gender identity, sexual orientation, religion, belief or race and want members of staff who have interests and expertise that goes beyond the classroom and physical boundaries of the school. With 61 different first languages spoken by students we are a very diverse school and would want our staff to reflect this diversity.

Quite simply Burnham Grammar School is an idyllic learning community where the relationships and teamwork between staff and students are exceptional, fostered with care and the key strength of the school. We provide the support and reassurance for our students to develop the resilience and mindset to strive to be their very best. Our school aims are summarised by the overarching motto of:

“Embracing Challenge”

Our students are constantly challenged and supported to learn from their mistakes to ensure that they fulfil their potential at each key stage and have the confidence and resilience to aspire to and achieve their dreams.

I do hope that you will decide to make an application to join us and that we will have the opportunity to welcome you to our learning community and meet you in person.

Yours sincerely

Dr A Gillespie

DEPARTMENT INFORMATION

At Burnham Grammar School, we provide opportunities for all students to be involved in active music making both in and out of the classroom. We believe academic achievement is not the only benefit of music education and exposure. Music ignites all areas of development and skills: intellectual, social and emotional, motor, language, and overall literacy. It helps the body and the mind work together.

To this end we provide opportunities for all students to be involved in a range of opportunities for active music making. In addition students get to explore being a songwriter/composer. We want all students to discover their individual musical niche and we aim to provide the right environment for this to take place.

For the students, both within the curriculum and as an extracurricular activity, Music contributes an element to their acquisition of a wider understanding and appreciation of British and worldwide cultures. To support this the department is well resourced with a range of instruments including a full class Samba set, Ukuleles, and Djembes. We hold a full calendar of concerts which includes Christmas, Spring and House music competitions which we have continued to run through the COVID pandemic. Our wide range of ensembles includes: orchestra, choirs, and smaller chamber ensembles. Our team of instrumental teachers regularly support the students in concert preparation and have an excellent track record of examination entry.

In addition to performance, students explore being a songwriter/composer. As we move into the new build we are investigating a range of activities in which a wider range of students might engage in making music.

Resources

The Music Department has a suite of MAC computers with Logic Pro X and Sibelius. More recently we have also invested in subscriptions to Noteflight and Soundtrap, allowing students to further create their own music at home.
