We wish to appoint a highly motivated, ambitious, and reflective teacher of music to bring a high level of subject expertise and help to improve the quality of teaching in this forward-thinking and innovative school. Over the last six years we have assembled an excellent group of senior leaders and teachers who have had a significant impact on the quality of teaching and student outcomes. With an aspirational culture, and a commitment to evidence informed teaching, we want to achieve more. We were judged "Good" in all areas in our last Ofsted inspection (July 2021) and student outcomes are strong and improving as we recover from the pandemic. Our 6th form outcomes are amongst the best in the region. We have made significant improvements to our curriculum, teaching, and professional development programme and we are committed to reducing teacher workload.

Framwellgate School Durham is an 11-18 non-selective secondary school and Single Academy Trust. The school roll has increased by 35% over the last six years, and we now have more than 1300 students who attend the school. We will move into a fantastic new building in 2026, at which time our PAN will increase to 1600.

FRAMWELLGATE
SCHOOL DURHAM

Letter of Welcome from Andy Byers, Headteacher

Dear Applicant

I am delighted that you are interested in this post. Framwellgate School Durham (FSD) is a fantastic school, with excellent leadership, teaching, and support for our students. You will be joining us at an exciting time as work begins on our new building which, despite a few delays, is scheduled for opening in September 2026 or soon after. Although I am writing this welcome letter, I won't be here when the successful candidate takes up post, because I am retiring this summer. The Headteacher designate is Michael Wright and I am confident that you will be joining a successful school, and one which can build on the many strengths which exist now. The school is unrecognisable from the one I joined seven years ago with over 40 teachers appointed in that time, an expanded pastoral and support staff team, a larger roll, improved outcomes, and a very positive Ofsted inspection report in July 2021.

The basis for our improvement has been creating the conditions which allow teachers to teach at their best. Student behaviour is good, and we put a great deal of emphasis on ensuring that staff can work in an environment where students want to learn. The strength of the school has always been its caring ethos and strong community links, and these remain. By introducing systems to manage behaviour, rewards, assessment, marking, and teaching, and with a vibrant curriculum and an ethos which focuses on academic excellence, respect, and kindness, we have made huge strides in transforming the school over this period. Our Ofsted inspection in July 2021 recognised this positive change as we were awarded Good across all categories.

The key to our success is our commitment to a professional development programme for teachers which includes a significant amount of time planning with department colleagues, and 5 additional days dedicated to professional development each year. We are experienced in supporting and developing ECTs and those at all stages of their career.

We are looking for teachers who are passionate about their subject, have excellent subject knowledge, and are reflective practitioners. I think this is an incredible opportunity and hope you will too; you must be able to work in (or lead) effective teams and demonstrate resilience, humour, and enthusiasm. You must never settle for second best. The leadership team will guarantee you their time and support and a fabulous place to come to work every day, especially as we have taken significant steps to reduce teacher workload. If you would like to visit prior to making an application please feel free to contact my Executive Assistant to arrange a suitable time and, my Deputy Head, Helen Machin will do her best to accommodate you and welcome you to our school. You might want to decide whether you can work with us!

In your application, please focus on what makes you an effective, evidence-informed teacher. Make us feel like we are reading about you; try not write a generic letter which ticks the boxes but doesn't tell us about your values or what you are like as a teacher or colleague. We are also very interested to learn about what else you can offer the school. I am sure that the thing you remember most about your own time at school was the sports team you played in, the trips or visits you went on, or the school production you were part of. We need our staff, whatever subject they teach, to share their passions (human rights, music, sport, the environment, outdoor education, drama etc.) with our students, so that our extra-curricular offer is truly special. Finally, one of you reading this will become a music teacher in a fantastic school. You'll love it. Good luck with your application.

SCHOOL DURHAM

About the school

Framwellgate School Durham (FSD) is an 11-18 school which was granted academy status in 2011. There are over 1300 students on roll including 180 in the Sixth Form. Our roll has grown by 35% in recent years and is projected to increase further still as the sixth form grows and our new building opens in 2026. Our PAN will increase to 1600 at this time. The school serves the population to the north of Durham city, primarily from the Newton Hall estate, but we attract students from a wide surrounding area and over 20 feeder primary schools. We are a high achieving 11-18 academy with a strong track record in both provision and outcomes. We are fully committed to the students in our care, and work to ensure that both the pastoral provision and quality of teaching is the very best.

Aims and ethos

Framwellgate School Durham is an inclusive comprehensive school with high expectations of both our staff and students alike. In the Spring of 2018 we consulted students, staff and parents, and re-evaluated our ethos; the result of this exercise was an ethos statement (below) which emphasises compassion and kindness and places the well-being and happiness of our students alongside academic achievement. A new school uniform was introduced in September 2018 and students wear this with pride.

Excellence, Compassion and Respect for All

Our school promotes academic excellence and embraces the shared values of honesty, integrity, respect, and compassion. We want our students to be ambitious, kind, resilient and hardworking, and have a genuine passion for learning. We want them to change the world with the knowledge, skills and confidence they have learned here; to champion fairness, have friendships for life, and pride in our school. Above all, we want our students to be happy.

The curriculum

We are committed to providing a rich academic curriculum which responds to the needs of the individual student, whilst ensuring access for all to a broad and balanced range of educational experiences. For many students, this means learning with us from 11 to 18. We view this as a continuous, coherent journey and see one of the most important functions of learning, during any key stage, as being to prepare students for the next one. Our curriculum is carefully planned and sequenced and taught by subject specialists.

We recognise that whilst all our students have needs, some have more significant barriers to learning. We are an inclusive school, and through the work of the Achievement Centre, we seek to remove or minimise any barriers to learning that our students may have, be they emotional, physical, or academic.

At Key Stages 4 and 5, students receive options guidance linked to future aspirations, and we offer a significant number of GCSE, A Level and BTEC/OCR courses which meet the needs and interests of all our students. Nearly all our Year 13 students go on to university, most choosing to study at Russell Group universities.

Pastoral Care and Support

Pastoral care is a strength of the school. This has been recognised by Ofsted in all its recent reports. All students are placed in tutor groups and remain with their tutor group (and their tutor) as they move from Year 7 to 11. The tutor is the first port of call for all students. We place a real emphasis on good student behaviour and believe that teachers

can't teach, and students can't learn, unless behaviour in the classroom, and around school, is excellent. We have effective and robust systems in place to manage behaviour.

Teaching and Learning

Having established robust systems to manage various aspects of school life, and a broad and balanced curriculum, we have spent the last few years developing and improving our classroom practice. We place a very high priority on developing our staff professionally. Middle leadership training has been a strong focus and there is an extensive programme of CPD opportunities which seeks to support all staff, identify their development needs, and help them to improve their practice. We now have regular collaborative planning time for all departments, to allow them to work together to plan exciting, engaging, and effective lessons and our weekly CPD programme for teachers is rightly regarded as a significant strength of the school.

We aim to ensure that our teaching stretches and challenges students, and we are increasingly research-led. We don't ask teachers to follow a prescribed learning cycle, but we have invested a significant amount of time on training and CPD and have embraced Rosenshine's principles in planning the key ingredients of a good lesson.

The development of teaching is supported through a supportive appraisal process (no data-driven progress targets and objectives linked to improving professional practice), and lesson drop-ins and learning walks. The support for ECTs is exceptional and we have other training strands for RQTs and those aspiring to middle and senior leadership. We have supported many colleagues to complete NPQs and we use external consultants (primarily Tom Sherrington and Phil Keay) to support our teaching and leadership development.

Ofsted

Ofsted does not determine our practice, nor does it dominate our thinking, but we were delighted that our inspection in July 2021 resulted in us being designated a "Good" school in all categories. The inspectors noted that:

- The headteacher has sustained efforts to improve the school. As a result, the school now provides a good quality of education
- Parents are overwhelmingly supportive of the changes made. They praise the improvements in behaviour and the academic rigour that is now firmly in place
- Leaders show strong moral leadership. They do not shy away from difficult issues. They have opened up debate about sexual harassment between pupils. They do not tolerate derogatory or racist language.
- The arrangements for safeguarding are effective.
- This is a caring school. Leaders have appointed more pastoral staff and a family liaison manager so that they can respond more effectively. Leaders have fostered a strong safeguarding culture.
- Teachers receive a rich diet of training and professional development. This has helped to retain new teachers to the profession. The training received has improved teachers' practice.

The website and social media

Our website (www.framdurham.com) gives an insight into the school and I would encourage all prospective applicants to look at it, especially the curriculum information about what we teach in each subject. Many departments have an active twitter (X) account, and you may be interested in the Headteacher account (@framheadteacher) and school account (@fram_official).

The Music Department

The Music Department consists of the curriculum leader plus one other specialist teacher currently but there is a vacancy for another teacher to join the team. Music has its own suite of rooms, including practice rooms and offices and is well resourced. We use the Durham Music Service peripatetic team to offer our students 1:1 tutoring as well as having a number of groups which run in school: brass band, string group and guitar group; in addition our school hosts a number of concerts/recitals throughout the year. Music is offered as options at both GCSE and A' level and all KS3 students have a weekly music lesson.

Finally

We can offer the successful candidate:

- A great school to work in with huge capacity for change;
- A talented and committed staff dedicated to securing the best outcomes for our students;
- A vibrant local community, loyal to the school, with very strong relationships between staff, students and parents;
- The opportunity to help FSD improve further and put teachers at the heart of this improvement.

Good luck with your application.
