Teacher of Music

Main Scale plus Wren Academy Allowance

Required for September 2023 (full time or part time considered)

A great opportunity to work in a talented, highly motivated and supportive group of teachers who have contributed to securing the Academy's outstanding OFSTED status, exceptional examination success and successful sixth form.

Located in the London Borough of Barnet, Wren Academy is sponsored by the Church of England and Berkhamsted School. The Academy has developed a strong reputation for outstanding teaching and learning, as demonstrated by our Progress 8 figure, which places us in the top 100 schools nationally. We are an all-through school with an established Sixth Form and a primary phase which opened in 2015. The engaging curriculum, and state of the art buildings have contributed to the academy's notable success.

The Academy is a forward-thinking establishment and welcomes colleagues who are enthusiastic and ready to help create powerful and effective learning experiences for all students. The Performing Arts department is a thriving part of the Wren community and offers Music GCSE. The curriculum is innovative and focused on developing students' lifelong love of Music, as well as achieving outstanding examination success at all levels.

Wren is a Multi Academy Trust and plans are well advanced to build new schools which will provide exciting professional development opportunities for the successful candidate.

We wish to appoint a colleague to this post who has:

- Outstanding teaching and interpersonal skills
- A strong academic Music background with the ability to teach the subject to GCSE essential and to A Level desirable
- Evidence of ambition and a commitment to continuing professional development
- The desire to maximise the performance of all students and ensure the very best progress for all

Closing date: 9.00am, 27 March 2023 but applications will be considered as they are received.

Academy Information 2022-2023

Wren Academy Finchley opened in September 2008 as a new school sponsored by the London Diocese of the Church of England and Berkhamsted School. We have come a long way since the school opened to its first Year 7 in 2008 and are now an all through school with over 1500 students aged between 4 and 18. The school has continued to grow as we opened our Sixth form in 2013 and have taken on new primary cohorts since 2015. The Academy is proud of its successes; we have been given three 'Outstanding' Ofsted judgements and achieved exceptional GCSE and A Level results. We have also established a national reputation for excellence in teaching and learning, developing an approach that focuses consistently on enabling young people to be effective learners.

Our Sixth Form has grown in popularity since opening to our first Year 12 students in 2013. It has rapidly established a reputation for academic excellence, great study support and a rich and varied extra-curricular programme. Furthermore, we have proved our ability to help students achieve their ambitions by gaining access to the best university courses and employment opportunities.

In September 2020, Wren Academies Trust opened Wren Academy Enfield with the first cohort of Year 7 students. The Wren Academy Enfield will then grow each year to become a six form entry 11-18 school. The development of a second Academy will lead to further collaboration and innovation. It is also expected that the further growth of the Trust will result in opportunities for continued Professional Development and career progression.

The Trust has established a national reputation for excellence in teaching and learning at Wren Academy Finchley, developing an approach that focuses on enabling young people to be effective learners. It is planned that Wren Academy Enfield will take the same approach resulting in similar success and achievements. The learning framework of the Academy is based on the 6 Rs which encourages students to be:

- Resilient
- Relational
- Redemptive
- Reflective
- Resourceful
- Reverent

All learning is supported using digital tablet which are an expected item of equipment for each student. The use of this technology enhances learning within the classroom and at home.

The Academy has high academic standards coupled with a strong emphasis on developing students' social, cultural and learning skills. Our learning culture embraces all aspects of life at Wren, not just the lessons. Students are happy and make exceptional progress at the Academy as evidenced by the following:

- Three outstanding Ofsted outcomes (the last being outstanding in every category in 2018)
- Two Outstanding SIAMs judgements
- A national reputation for the innovative teaching and learning
- Excellent Progress at GCSE (P8 Scores: 2022: +0.87, 2019: +0.91)
- Amongst the highest non-selective schools in Barnet for Attainment 8: (2022: 65.28, 2019: 61.85)
- GCSE 5+ in English and Maths- 2022: 82%, 2019: 80%.
- Over-subscribed Sixth Form with excellent destinations for all students – in 2022, 4 students have progressed to Cambridge University and 1 to Oxford University)

Do justice, love kindness, walk humbly with your God: Micah 6v8

- A Level grades: 41% A*-A, 86% A*-C (2022)

We were also delighted with the university and employment destinations our students are achieving. Most Wren Finchley sixth form students move on to the university of their choice with increasingly high numbers going to Russell Group institutions, with Oxford, Cambridge, Durham, Imperial and the UCL amongst our destinations. Wren students regularly win places on the most competitive courses, including Medicine, Dentistry and Law. Students also gained places at highly sought-after creative arts institutions such as Central St Martins as well as prestigious apprenticeships with companies such as Deloitte and Jaguar.

Wren is a comprehensive school, which welcomes students of all academic abilities and maximises their potential. We are also a vibrant and culturally diverse community.

Our curriculum is innovative, challenging and engaging. There is an extended school day, single sex teaching in core subjects and an extensive timetable of enrichment activities. Each half term we have a focus day on which the usual timetable gives way to in depth study of a range of issues. To further support learning and social development, we have a house system and there are vertical tutor groups for students Years 7-10.

Inspired by Sir Christopher's Wren our specialism is Design and the Built Environment. Key skills associated with our specialism, like planning and creativity, impact across all subjects. We work closely with a range of public and private sector partners in delivering the specialism and in ensuring it enhances but never dominates our curriculum.

We have developed students' learning skills and attitudes through our immersion in the philosophy of character education. Year on year we have recruited a talented and committed staff who share the ambition of creating a uniquely successful school. Colleagues are encouraged to innovate and to develop new ways of teaching and embedding the habits of successful learners to supplement the teaching of subject knowledge and skills. We now have over 96 teaching staff and 65 student services colleagues.

We have a campus, which is architecturally innovative and visually impressive with a high emphasis being placed on environmental sustainability. The buildings provide for a wide range of teaching and learning approaches with larger, flexible learning areas and smaller group rooms alongside more traditional classrooms. The working environment for all staff is of a high quality.

All teachers joining Wren receive a high quality professional development experience. We hope that simply by working at the Academy, teachers will become better practitioners and that much of the best professional development will be found in working with Wren colleagues. However, we explicitly prioritise CPD with an innovative CPD programme which provides three hours of CPD per week. Within this structure is an increasing focus on engaging with the latest educational research, with many colleagues undertaking small scale research projects related to their practice. Therefore, we are looking to recruit teachers who are currently good or outstanding and who have the desire to develop further. We want to appoint colleagues who possess real curiosity about the ways in which children learn most effectively and who are always seeking to extend their practice into new areas and learning activities. It is important that Wren teachers are ambitious both for themselves and for their students. Many of our teachers have achieved career advancement within the Academy whilst others have moved on to promotion elsewhere.

At Wren you will be given time to plan and evaluate your lessons. You will be part of a learning dialogue with colleagues for which time is set aside. Most importantly of all, you will be working with young people who are talented and enthusiastic about their learning. We believe that observing other teachers at work and having them observe you is a professional

entitlement. It is an expectation that all Wren teachers will be confident and open in seeing lesson observation as a key element of how we learn as professionals.
Other benefits of teaching at Wren:

- Children of colleagues working at Wren for over two years are given priority for a place in Reception or Year 7
- An exceptionally talented and mutually supportive staff team
- Talented, courteous and ambitious students
- Excellent professional development opportunities including support for programmes of further study and planned career development
- A pleasant and attractive working environment
- Free refreshments and lunchtime allowance
- A lower student contact ratio than the norm
- Timetabled professional development time during the school day
- Planning and evaluation time during the school day
- Financial allowance for leading enrichment activities

Music Department Information

Music is a popular subject amongst students at Wren. The music department believes music should be an inclusive experience where all students feel confident to create and perform through enjoyable, energetic and challenging lessons. The department delivers an exciting curriculum that is committed to developing musical skills and knowledge through a wide range of dynamic activities.

Extra-curricular activities are at the heart of the success of the department. We make full use of the 300-seat theatre by staging annual productions and regular concerts. Each production sees over 100 students take part as performers, musicians, set designers, sound and lighting technicians and backstage crew. A similar number of students are also involved in our Christmas Service and termly concerts. The Academy enrichment programme includes a number of music activities including gospel choir, orchestra, jazz band, musical theatre and band musicianship. Other activities have included string group, show band, staff/sixth form choir and band rehearsal sessions. A strong commitment to extra-curricular activities is required in order to support and develop the existing programme.

Music is taught in house groups in years 7-8. These are mixed gender and ability groups. It is the aim of the music department, first and foremost, for all students to enjoy music. Students should be involved in as practical way as possible, broadening their own interests, knowledge and awareness of music generally, as well as realising their own potential. It is important at KS3 to foster imagination and inventiveness, as well as intellectual and artistic skills. In year 9, students select music as an option. These classes remain mixed gender and ability groups, but students receive 2 hours a week of music lessons. The aim of lessons remains the same as in years 7-8, but the extended time allows students to cover topic areas in more depth.

At KS4 the department currently offers Edexcel GCSE Music. Our schemes of learning enable students to develop a range of learning skills. This is in line with the Academy's belief in 'Building Learning Power'. Future members of the department will be expected to contribute to the ongoing development of resources, whilst adapting existing resources to the needs of their classes.

The music department has two classrooms, one of which is equipped with keyboards, the other with a class set of Apple iMacs with midi keyboards and Logic Pro. All classrooms are equipped with interactive facilities for multimedia playback. We have five dedicated music practice rooms, a recording studio and control room for the theatre. The department also has a wealth of instrumental resources including class sets of tuned percussion instruments, a wide range of African and Samba drums, and numerous rock band instruments and amplifiers.

Please feel free to contact Delyth Ablett, Head of Music to discuss this, or if you wish to visit the Academy prior to applying for the post. delyth.ablett@wrenacademy.org
