At the heart of our strategy we aim provide the best school experience possible for every child, and to be the best employer we can be.

Omega Multi-Academy Trust was formed in 2018. We serve wonderfully diverse communities across the metropolitan borough of Warrington and the City of Liverpool. Our schools are firmly rooted in their communities and respond to their individual needs with local knowledge and understanding, retaining their unique identities. We strongly believe in the power of genuine collaboration and school-to-school support, so as a trust, we exploit every opportunity to embrace the sharing of best practice, celebrating our many strengths, learning and growing together.

We pride ourselves on nurturing a culture of inspiring education which emphasises the knowledge, skills and experiences that will enable pupils to be resilient and aspirational. We invest in our staff and embed innovative, high-quality teaching and learning into our curriculum whilst keeping the best interests of our students at the heart of everything we do.

In my role as Chief Executive Officer, it is a privilege to witness the drive and determination of our colleagues who have welcomed our strategic vision with such enthusiasm and drive. The Trust's new Impact Strategy, as well as having a necessary focus on inclusive education and continuous school improvement as standard, includes an important focus on you, and your wellbeing, ensuring we care for the people who help and support our children and young people to stay safe and to thrive.

- Inspiring learning environments, where our students can make mistakes and overcome them to become the best version of themselves.
- Industry-leading professional development for all colleagues, investing in our teams to support them in fulfilling their personal and professional ambitions

The hard work is paying off and whilst we know our work is far from complete, we are proud to have reached some key milestones. Outcomes at our primary schools are now amongst the best in the country, with strong outcomes in Early Years, Key Stages 1 and 2 in almost all of our schools. Where outcomes are not as strong, they are improving at pace.

Our dedicated staff and committed team of Trustees and Governors are relentless in their aim of creating truly world-class schools. Our Headteachers are empowered to create schools that reflect the communities they serve, yet we encourage our schools to be externally focused, obsessive in their quest to learn from the very best, never leaving opportunities for improvement to chance.

It is a privilege to teach at Great Sankey High School. Since the beginning of my career I have been surrounded by the most supportive colleagues who have always made me feel as part of a family more than a staff body.

Each year I have been provided with the opportunity to develop my practice not only as a subject teacher but also in taking on different opportunities outside the classroom.

The most fulfilling part of my role has been working with the students pastorally, providing them the platform to achieve their absolute best in a safe and supportive environment.
