Thrive Co-operative Learning Trust

Inspiring pupils to thrive in life

The Thrive Co-operative Learning Trust (formerly the Yorkshire and the Humber Co-operative Learning Trust) was established in 2016 and now includes 7 primary and 2 secondary schools.

Kelvin Hall School is part of the Thrive Co-operative Learning Trust and Mr Jonathan Roe is the Chief Executive Officer with overall responsibility for leading the Trust. Our mission is to inspire pupils to thrive in life. We understand thriving to mean that we will work cooperatively as a multi-academy trust to enable each pupil, school and their communities to reach their fullest potential, and to aspire to the co-operative values.

The Co-operative Values are...

Self-help • Self-responsibility • Democracy • Equality • Equity • Solidarity

Also running through these core values are a set of ethical values that underpin the work of all Trust members:

Openness • Honesty • Social Responsibility • Caring for Others

Our partner schools also believe in these core values and want to work alongside us to deliver the best possible education for all our children.

Key Stage 4 GCSE Results 2021

On the 12th August 2021, students and staff celebrated terrific success as students received their GCSE, BTEC and Cambridge National results. Students were awarded their teacher-assessed grades, replacing students sitting examinations in the summer of 2021. Our Year 11 students have worked tremendously hard over their five years and we are extremely proud of their individual results in circumstances that have been very challenging for all Year 11 students nationally.

As with all years, we will always continue to strive for outstanding outcomes for all of our students. These fantastic results have enabled students to progress on to a wide range of post-16 courses, providing a solid foundation for their success as they begin their study of A-Levels, BTEC Nationals level 2 and 3, Cambridge Technical courses and Apprentice/Traineeships in September 2021.

The post-16 data of our Year 11 students shows the extremely high academic standards achieved by the students and the school in their Maths, English, EBacc and choice subjects in the summer of 2021.

*The full results for the summer of 2021 will not be shared on any local or national basis this year and there will be modified published national school results for September 2021 for all schools nationally.
