We are looking for an outstanding professional to join our continually improving school. As a teacher of music, you will become part of a department with a track record of success. An enthusiasm and flair for teaching high quality lessons, including GCSE Music, is essential. You should love music, be passionate about learning and demonstrate a range of teaching strategies to engage our fantastic students. You should also possess excellent communication skills to teach throughout the age range. The Arts team is welcoming, enthusiastic, ambitious and has very high standards. They embrace change and lead the way with pedagogy.

We are a unique and successful school that has 'ambition unlimited' for all our students and staff. Students are at the core of all we do, we are incredibly proud of them and their achievements; they deserve the very best we can offer. You will lead on extracurricular activities and calendared events throughout the year. You will also liaise with our external providers to manage and facilitate instrumental lessons.

Our 27-acre campus is located in the popular north Worcestershire village of Wolverley, on the outskirts of Kidderminster, well provided with transport links to surrounding areas. We have a clear and aspirational vision for the ongoing development of our unparalleled site and facilities. A recent investment of over £5 million has significantly enhanced our facilities and we have exciting plans to further improve our unique, exceptional school site. The school's most recent Ofsted validated the ongoing success of the school and its highly inclusive and caring ethos. Although you will need to share our Christian values and moral purpose, you will not necessarily be a practising Anglican.
