The Aspirations Academies Trust

The Aspirations Academies Trust (AAT) is a sponsor of primary and secondary age academies in England, is committed to raising students' aspirations so that all young people reach their fullest potential and achieve the success they want for themselves.

Central to the philosophy of the curriculum delivered in our academies is that it should provide an authentic education for the world today. This requires the curriculum to allow for the development for the skills required for success in the world today, alongside the attainment of high level qualifications. Children in Aspirations Academies learn in a challenging, engaging and supportive environment.

Aspirations Academies share a common philosophy, with each Academy operating as an individual school, serving the local area and reflecting the leadership style of the Principal. However, Aspirations Academies have a distinctive approach to education and so there are a number of elements which are expected to feature in each academy:

There are three guiding principles, Self-worth, Engagement and Purpose. These are the basis of the Aspirations Trust. If people feel good about themselves they can achieve anything, if they are engaged in what they are doing and see a purpose then they will achieve their dreams.

There are nine core principles that are grouped within the three Guiding Principles and these are Opportunity, Employability, Talent Development, Challenge, Makers and Creators, Innovation and Enterprise, Global, High Expectations, With big dreams and hard work anything is possible. Our overall aim is to raise aspirations. Aspirations means to dream about the future while being inspired in the present to reach those dreams.

The Aspirations Academies Trust considers that its beliefs and principles are applicable and effective with students from age 2 to 18. Each stage of a child's education is extremely important - pre-school, primary and secondary - and should, where possible be coherent across the phases of education in the practice of developing the guiding principles and the core principals central to the beliefs and aims of the Aspirations Academies Trust. For this reason, we support primary, secondary and, where possible, all through (Ages 2-18) academies.

At whatever stage a child joins an Aspirations Academy, whether it is at the age of two or sixteen, the aim is to provide each individual child with the best possible life chance. This is done through the achievement of the highest level of qualifications, the development of skills essential to success in an interconnected and highly competitive world, as well as encouraging the highest aspirations, expecting every student to gain a place at university or enter skilled employment.

Continuous Professional Development

We offer unique and bespoke training for staff at all levels. This includes Senior Leadership Training, Aspirations Training - Level 1 & 2, Polishing Pedagogy, Coaching and Mentoring. Staff will be supported to develop a positive orientation to professional learning as reflective practitioners and will be empowered to take ownership and responsibility for their professional learning and development.

We strive to embed the voice of students (for example, through Student Surveys and student voice and leadership developments) and the active engagement of students in the process of CPD and staff professional learning.

West London District

Promoting Aspirations Project

CPD in AAT Academies will have a research orientation. All staff will be expected to engage annually in a Promoting Aspirations Project and make use of research reports to inform their practice. The Promoting Aspirations Project is undertaken over the course of an academic year. Staff can conduct their Promoting Aspirations Projects alone or in collaboration with a small group of colleagues from within their academy or across Aspirations Academies. Innovation Awards will be given to the best projects and they will be shared with other staff at the yearly forum when all staff from all academies come together for an exciting event.

West London District

Safe Recruitment Procedure

The AAT is committed to safeguarding and promoting the welfare of children and young people in its academies. In order to meet this responsibility, its academies follow a rigorous selection process to discourage and screen out unsuitable applicants. This process is outlined below, but can be provided in more detail if requested.

Disclosure

This post is classified as having substantial access to children, and appointment is subject to an enhanced police check of previous criminal convictions (DBS). Applicants are required, before appointment, to disclose any conviction, caution or binding over including 'spent convictions' under the Rehabilitation of Offenders Act 1974 (Exemptions) Order 1975. Non-disclosure may lead to termination of employment. However, disclosure of a criminal background will not necessarily debar individuals from employment – this will depend upon the nature of the offence(s) and when they occurred.

Shortlisting

Only those candidates meeting the relevant criteria indicated in the personal specification will be taken forward from application.

Interview

Longlisted candidates may be subject to a screening interview. Those shortlisted will take part in an interview with questions relating to the job description and person specification and may also have to take part in a selection exercise such as a lesson observation.

Where necessary, candidates will be asked to address any discrepancies, anomalies or gaps in their application form.

Reference checking

At least two references will be requested, normally from the previous and current employers. These may be contacted before the interview and in all cases before an offer of appointment is confirmed.
