Welcome

Queen Mary's Grammar School was founded in 1554 by Mary Tudor. We have been shaped by our past and are proud of our traditions, but we are also confident of an exciting future as we help to shape the new educational landscape with our partners in the Mercian Trust.

Queen Mary's is an academically selective school. It is our aim to support pupils to achieve their full academic potential. We value the life of the mind and want to pass on a love of learning.

Outside the classroom, we offer a range of life-enriching opportunities: time at our Field Centre in Wales; membership of our thriving Combined Cadet Force; individual and team sports; foreign exchanges and travel; participation in music, debating and public speaking and many other activities. We believe that achievement and enjoyment go hand in hand.

We equip our pupils to meet the challenges of a rapidly changing world. Most choose to go on to higher education. Through partnership between School, pupil and parents, we aim for the examination success that will open doors to the very best universities and international employers. It is our mission to attain excellence in all that we do.

Our House system celebrates the four pillars of school life at Queen Mary's: an academic focus, an international ethos, an enterprising spirit and a sense of community. We enjoy our social, cultural and ethnic diversity and recognise our many privileges. We are keen to share what we have - experience, expertise, enthusiasm - both with those who live on our doorstep and those from further afield.

To do so is very much in the spirit of our motto *quas dederis solas semper habebis opes*: it is what you give that you will keep as eternal riches.

Headmaster

About Us

Queen Mary's Grammar School is an invigorating and rewarding place to work: the pupils are intelligent and committed to study; the staff are friendly and forward looking. It is more than just a place of work – it is a thriving community, proud of its past and confident of its future. In March 2023, it was recognised as 'Outstanding' in all areas by Ofsted.

There are currently almost 1400 pupils on roll, including over 480 in the Sixth Form. The School has an outstanding academic record and regularly features at the upper end of the national league tables. In 2024, 65% of GCSE grades were 7-9 (A*/A) and 66% of A Level grades were A*, A or B. We are especially proud of our value-added scores, which regularly place us among the top schools in the country for progress. We do not rest on our laurels, but encourage all our pupils to realise their full potential.

In June 2011, the School converted to Academy status and we have undertaken a series of exciting building projects since then, including a new Sixth Form Centre, science labs and a humanities wing, music and PE refurbishments, extensions to existing English and maths classrooms, as well as a new dining room and reception. We were a founding member of the Mercian Multi Academy Trust (along with five other schools) in January 2018. Over the past few years, we completed projects to add additional capacity through the building of extra science rooms, a humanities block and a sixth form study annexe.

The School encourages an enterprising and international outlook: trips, expeditions and exchanges have gone all over the world in recent years, as well as a wide range of vibrant and formative educational visits and experiences closer to home such as theatre visits, visiting speakers and the mental health ambassadors programme. We are proud to appear in Ross Morrison McGill's recent book *Just Great Teaching*, showcasing our mental health work.

We want our pupils to lead happy and fulfilled lives. Learning here is not just about passing exams, but about enjoying the life of the mind. We also encourage all our pupils to take part in a wide range of enrichment activities in music, sport, the Combined Cadet Force and at our Field Centre on the Afon Mawddach in Southern Snowdonia. We have been named in the Top 100 cricket schools by the *Cricketer Magazine* for the second year in succession.

Our pupils come from diverse backgrounds, but they all thrive on the sense of support, encouragement and care that characterises Queen Mary's.

The Music Department

General information

The music department currently consists of Mark Vause (Director of Music since 2012), a part time teacher (Mrs S. Tranchant) and 10 visiting instrumental teachers. We have an extensive list of extra-curricular musical activities including: an orchestra, whole school choir, smaller choral group, skiffle group, jazz band, intermediate concert band, sax ensemble and clarinet ensemble. There are strong links with the local Music service and many of our pupils play in their ensembles. All year 7 pupils (180) learn an instrument as part of their curriculum music lesson, with a significant number opting to continue into year 8. Pupils in years 7- 9 have one 50-minute music lesson per week. Nearly 200 pupils pay to have extra peripatetic music lessons.

We offer Edexcel at GCSE level and although class sizes are traditionally quite small, results are extremely high; pupils opting to continue studying music at A level receive lessons at one of our partnership MAT schools.

Accommodation

The music accommodation was brand new in 2015 and consists of 1 main class room with 5 adjoining practice rooms, a departmental office and a music technology studio. The main classroom has 15 computers running Sibelius/Musescore software. Peripatetic music lessons take place in different areas of the school.

The department is very well resourced with a huge stock of brass and woodwind instruments. We also have enough keyboards for 1 per pupil, 30 djembes, 3 drum kits, 20 guitars (acoustic, electric and bass) and 3 electric pianos. The main school hall has a Yamaha grand piano where most extra-curricular rehearsals take place.

The department is very busy and puts on various concerts each year; video highlights can be found on You Tube (search QMGS Music).
