The Department for Education selected Redden Court School in 2020 as one of its Edtech Demonstrator schools to support 100s of other schools in the country with their use of technology in education. This was initially to help schools to respond to the pandemic but the project has continued to expand. In 2017 Google selected us to become one of the only Google Reference Schools in the UK as a result of our success over the years, giving us early, exclusive access to upcoming tools and the opportunity to attend and showcase at events. We have also gained international recognition welcoming many visitors from abroad to support them with their own development.

Google Workspace for Education is an exciting and innovative way of learning, introducing easy tools to engage students whenever, wherever on any device. In

2012, we adopted this free web-based communication and collaboration suite available to education establishments. With products including Gmail, Google Classroom, Calendar, Drive, Docs, Meet, Slides and Sites, we recognise the influence that these tools have on classroom and distance learning, our collaboration inside and outside of school, improvements in administrative efficiency and providing remote access for all. This enables all our students and staff to have access to the most up-to-date technology.

We have also rolled out a 1:1 Chromebook scheme with our students, with many of them buying the device through us, as an affordable browser-based device that provides quick, simple access to our online platforms. We also provide teaching staff with a Chromebook to support our edtech focus. Staff are offered a wide range of CPD to develop their skills in this area.

Pastoral Care

We currently have 1020 students at Redden Court and will continue to expand to 1050 over the next couple of years. The pastoral team is particularly well staffed and this allows us to form a wide and comprehensive net of care around our student body.

The team is made of:

- Deputy Head - Pastoral Care
- Pastoral Director
- 5 non-teaching Heads of Year
- Home School Support Worker
- Education Welfare Officer
- 2 Learning Mentors
- 3 Student Service Officers
- Pastoral Support Officer
- Pastoral Administration

We also buy in counselling and mentoring services which, taken as a whole, provides a support base to our students which is second to none.

SEND

We are proud of our reputation for achieving exceptional outcomes for our children with special educational needs and disabilities. We support our students with SEND in mainstream with a combination of in-class support systems and withdrawn interventions. Children who need a higher level of support are educated in our

Nurture Group and move on to study GCSEs on the Blue Pathway where they benefit from small classes and a high ratio of adults to children.

Redden Court also supports some children with EHCPs using our Additional Resourced Provision (ARP) funding. We are pleased to be able to offer bespoke packages of support for our children with the most complex needs.

Our dedicated SEND team consists of 6 SEND Teachers and 22 Student Development Assistants (SDAs) led by the Assistant Headteacher for Inclusion and the ARP Lead. Leaders on the SEND team are highly invested in developing staff. Many former SDAs have found their experience on the SEND team to be a vital step as they move towards new careers in teaching, mentoring, counselling or other pastoral work with children.

CPD and Training

We invest heavily in our own staff training and development at all levels, from Initial Teacher Training, Associate and support Staff, through to Senior Leadership level. We run an in-house comprehensive programme each year which includes whole school CPD, faculty training, ECT and RQT professional studies, ASPIRE Teaching and Learning workshops and additional voluntary training sessions. We also offer a wide range of opportunities for staff to gain leadership experience such as termly or yearly secondments onto the pastoral team or senior leadership team. In addition we subscribe to the National College and actively encourage staff to take responsibility for their own professional development by completing courses and certificates online.

Values and Ethos

At Redden Court School our staff values are closely aligned to our student values, ASPIRE. Every individual is valued for what they contribute to our community.

- ★ **Ambitious** - To be passionate in our desire and determination to achieve success and exceed our potential.
- ★ **Supportive** - To provide encouragement, physical and emotional support to others where it is needed.
- ★ **Professional** - To recognise ourselves as role models and demonstrate positive examples to students and each other at all times.
- ★ **Innovative** - To be creative and open to change and new ideas.
- ★ **Respectful** - To treat others with dignity and respect; to celebrate and welcome diversity.
- ★ **Equality** - To promote and ensure that every individual has an equal opportunity to make the most of their lives and talents.

Collectively these values help to raise standards, develop positive behaviours and develop individuals. We recognise that through these values our staff work towards a common goal that supports the vision for our school.
