

**SWANWICK
HALL
SCHOOL**

CANDIDATE PACK

WELCOME FROM THE HEADTEACHER

Thank you for your interest in a post at Swanwick Hall School. Our mission is simple: to provide students with opportunities and experiences to enhance their life choices, making a positive contribution to the world that we share.

The delivery of this mission is complex, and for this reason we are keen to recruit and develop the most talented colleagues across all of our teams of teaching and support staff. I hope that the information provided below will prove useful in giving a sense of who we are, our values and priorities as a school.

We behave and interact on a daily basis in line with our three agreed core school values of Inclusivity, Resilience and Respect. As a founder member of The Two Counties Trust, we work together to meet our mission through the Trust's values of Ambition, Teamwork and Honesty.

Swanwick Hall School opened as a grammar school for 300 local students in 1922, and 100 years later it has increased to over 1,100. We believe that we are in a position of real strength and with many reasons to approach future challenges with confidence.

Situated in the semi-rural village of Swanwick, we serve a socially diverse community in a former coal mining area of south-east Derbyshire. We have an excellent record of students securing university places from our 6th Form, including to Oxford and Cambridge, and work hard to support all students in aiming high and achieving strong progression routes from school. Our NEET figures are consistently well below national averages.

Positive relationships based on mutual respect are at the heart of our ethos, and allow us to create a calm and focused learning environment. When students struggle to engage with our ethos and values we have a strong and experienced inclusion team who support individuals and groups of students. Our curriculum is broad and balanced and, whilst we have high uptake of the EBacc suite of subjects, we offer a wide range of choice across the arts and technology, supported by a comprehensive programme of enrichment and extra-curricular activities.

We have a strong record of recruiting high quality staff and our retention rates are excellent. Many staff in key positions have been promoted internally, several of whom started their careers at the school, including within the leadership team; others have progressed onto promotions elsewhere, including headship. Our staff are characterised by their relentless commitment to the school and the wellbeing and development of our students, a strong sense of collegiality and a willingness to innovate and explore new methods to secure desired outcomes.

Starting with excellent induction and support for new colleagues we provide high quality and bespoke training for all stages of careers. This includes access to a range of externally accredited courses with many staff completing NPO qualifications. Within the Trust there are opportunities to contribute to and benefit from a plethora of training programmes. Our training is always research-led and focused on allowing us to deliver our mission as a school.

The school is situated on a beautiful 23-acre site which is based around a grade 2 listed hall which dates from the 1770s. These were extended for the school's opening in 1922 and subsequent expansion led to an eclectic collection of buildings. In many respects these are as challenging as they are beautiful, but recent investment in several new or significantly refurbished blocks, including sports hall, ICT/library suite, music block, science, art and the impending opening of an 18-room block to house English and maths have created a balanced site with excellent facilities. We will also have completed a major refurbishment to 21 classrooms by September 2022 to ensure that all subjects are housed in high quality accommodation. This will be supported by upgraded ICT infrastructure including the latest generation touchscreen boards in every teaching space.

We enter our second century in a position of real strength and with a shared commitment to continuing the school's service to the local community and for the benefit of our wonderful students. I hope that this short summary has whetted your appetite to find out more and to come and contribute to the next phase of our exciting journey. If you haven't already, I recommend that you visit the school and see us in action. We are always happy to meet prospective applicants and to talk openly and honestly about the school and the post on offer. I look forward to receiving your application.

TOP TIPS FOR A SUCCESSFUL APPLICATION

Here are our top tips to help your application stand out and give you the best chance of getting shortlisted for an interview.

1. Always read the job profile.

The job profile includes details of the responsibilities of the role and the essential and desirable criteria we are looking for in the person specification. This list of criteria is what we will use to put together our shortlist, the more essential and desirable criteria you meet, the more likely you are to be invited for an interview. Make sure to read what we are looking for, and then highlight which points you meet when completing your application.

2. Complete as much detail as possible.

We get many applications where some of the information is missing. We understand applications can be a lengthy process, but poorly completed applications give the impression that little effort has been made by the applicant. There also may be vital information missing that we need when making our selection decision. It is important to make sure your details are accurate, up to date and your employment dates are correct. When going over your work history, make sure you mention any relevant experience you gained from those roles and do not leave gaps in your employment history. Where there are genuine gaps, you must address these.

3. Make sure your supporting statement is well constructed.

Your supporting statement is your chance to show how you meet our person specification, so make sure you have the job profile document available to refer back to. This section is where you can really sell yourself and tell us anything that is relevant to the role you are applying for, and to highlight anything that will make your application stand out. Please ensure your supporting statement is focussed and should normally not extend beyond two sides of A4.

4. Proofread your application before submission.

Once your application is complete and ready to submit, do one final read over to check for any mistakes and to make sure you are happy with all the information you have provided. Perhaps do one more check over the person specification and make sure you have demonstrated how you meet the criteria including examples where appropriate.

5. Be truthful!

While you want to highlight all the experience you do have, be careful not to exaggerate your work history. This may get you an interview, but may not get you any further than that. Also be honest about what grades you received from your education history, as we will ask to see proof of qualifications.

6. References.

We ask all applicants to provide the details of two people who will act for you as a referee. Please ensure one of them is your current/most recent employer and the other is from your most recent employment prior to this. If you do not have two employment referees, for example if you have just left school or university, you should use the course leader as your referee.

Your employment referee should not be a colleague but, the name of the most senior person who can provide a reference on behalf of the organisation. If you are currently working at a school the Headteacher must be cited as your referee. Make sure to provide all the relevant information; name of the person, what role they hold, in what capacity they know you and their email address. There is a tick box for you to let us know if you are happy for us to contact that referee before interview. We will never contact someone you do not give us permission to contact before interview. Once you have been offered a role, we will still wait for you to give us permission to contact that referee. Please note that any job offer is conditional upon receipt of two satisfactory references.

Equal Opportunities Monitoring

The Trust is committed to providing equality of opportunity to all candidates. As part of our application process we ask you to complete a separate equal opportunities monitoring form.

This form is never shared with hiring managers and it will in no way affect your application. This information is collected for the Human Resources department to review statistics on who is applying for our jobs, and what we can do to attract a more diverse workforce.

We also want to identify anyone who may need adjustments to enable them to have a fair chance at the interview stage.

The Two Counties Trust is a Disability Confident Employer, amongst other things, this means that if you declare you have a disability and you meet all of our essential criteria (available in the person specification document) you should be offered an interview.

Please note that the Trust is committed to promoting and protecting the physical and mental health of all our employees.
